Mayor's Comments

The Mayor responded to comments made at previous meetings.

He stated that the missile committee was established when the Air Force informed the Village that the static display was being removed. The committee was formed to plan a permanent memorial at the missile location. The Air Force Museum at Wright Patterson AFB decided not to dismantle the missile as it was filled with 40 tons of concrete. The Mayor contacted Rep. John Shimkus who helped the Village keep the display but without any funding for repairs. The committee was never fully implemented and never met.

The Mayor addressed State Statute 65 ILCS 5 (3.1-35-35) as it pertains to Mayor Pro Tem and the responsibilities of that position.

In regards to the Mr. Scott Grimmish, he is a Commercial Loan Officer with First Mid Bank and Trust. He is not a resident of Rantoul. Ordinance 2488 Sec. 3 Item e regarding the Micro Loan and Revolving Loan Committees does allow two members to be designated by the Municipality. First Mid Bank and Trust is located at E. 1500 Grove Street in Rantoul and has a vested interest in the community.

The Mayor said he misspoke last week regarding term limits. The Attorney advised the Mayor that he is allowed to appoint committee members beyond his term if the term limits are set by an Ordinance.

AGENDA ITEM

ITEM: Purchase of a New Kubota SSV75 Skid Steer Loader for the Wastewater Treatment Plant from Birkey's Farm Store in the amount of \$53,969.89, Reject the September 2022 Board-Approved Kubota SV65 Skid Steer Loader Purchase	DEPARTMENT: Public Works
DATE: October 4, 2022	AMOUNT: \$53,969.89 Total \$51,969.89 Birkey's Farm Store \$2,000.00 Contingency Fund (\$51,155.89 Prior Board-approved Amount)
ATTACHMENTS: 1. Wastewater Treatment Plant - Skid Steer Quotes	ADMINISTRATIVE NOTES:
SUMMARY HIGHLIGHTS: This Agenda Item will reject the Board-approved purchase of a new Kubota SV65 skid steer loader from Birkey's Farm Store, and authorize the purchase of a new Kubota SSV75 skid steer loader in the amount of \$51,969.89 for the Wastewater Treatment Plant. The prior board-approved skid steer quotes must be rejected, as we requested "high flow" units; however, they each provided "low flow" quotes. They stated it was because it was a unique request, so we have rejected the quotes. Attached are the three quotes we have received for the skid steer. The following is a summary: • Birkey's: Kubota SSV75 Skid Steer – High Flow (30.4 gpm) – Availability December 2023 - \$51,969.89 • John Deere: John Deere 324G Skid Steer – High Flow (30 gpm) – Availability February 2023 (depending on part availability) - \$52,800.00 • Bobcat: Bobcat S62 T4 Skid Steer Loader – High Flow (26.9 gpm) – Delivery no later than 12/15/2022 - \$59,467.41 • CAT: CAT 236D3 Skid Steer Loader – High Flow (20 gpm) – Availability July 2023 - \$62,113.00	

The Skid Steer Loader pricing was secured locally, and four Sourcewell-approved vendors provided quotes. Birkey's Farm Store (Kubota) provided the lowest price at \$46,155.89. The bids are attached for your reference.

A contingency fund of \$2,000.00 is requested for modifications and increasing commodity prices. The skid steer loader purchase is included in the current Wastewater Plant Fiscal Year 2022-2023 Budget (Account 536-1180-430.75-50).

RECOMMENDED ACTION: Reject the purchase of the Kubota SV65 skid steer loader from Birkey's Farm Store, and authorize the purchase of a new Kubota SSV75 skid steer loader in the amount of \$51,969.89, with a contingency fund of \$2,000.00 for any unforeseen requirements.
