

Intercontinental Ballistic Missile Sub-Committee

Thursday, July 20, 2023

Sub-Committee Members Present

Mayor Charles Smith, Janet Brotherton, Marjorie Gamel, Loise Haines, Mike Helfrich

Others Present

Jake McCoy, Public Works Director; Lt. Justin Bouse, Deputy Police Chief; and Brian Bina, Public Works Street Department

Mayor Smith opened the meeting at 1:00pm, and he conducted a role call of the sub-committee members present.

Public Participation

Jim and Sherry Johnson offered ideas.

Public Works Department

Mr. McCoy and Mr. Bina provided engineering options and repair advice. Both offered to attend a future ICBM meeting to further the discussion.

Police Department

Lt. Bouse captured drone footage of the missile, and he took photos of each quadrant. He will provide the footage to Tana Ward, Deputy Village Clerk, to provide to the sub-committee members.

Sub-Committee Discussion

Discussion ensued regarding the overall condition of the missile, and the apparent repairs that had taken place over the many years of being on display. The sub-committee observed the ongoing damage to the missile, and they openly talked about possible future repairs.

Adjournment

Mayor Smith adjourned the meeting at 1:40pm.

Minutes submitted by Mayor Smith, and filed by Tana Ward, Deputy Village Clerk
