

Rantoul Village Board of Trustees
Regular Board Meeting
June 11, 2024
6:00 PM

1. Call to Order

2. Invocation

Pastor David Allison | Rantoul Church of the Nazarene

3. Pledge of Allegiance

4. Roll Call

5. Approval of Agenda

6. Public Participation

Citizens wishing to address the Village Board with respect to any item of business listed on the agenda, or any matter not appearing on the agenda, are asked to sign up on the public participation form, and submit it to the Village Clerk prior to the meeting. Comments will be limited to three minutes for each speaker.

Section A

7. Approval of Consent Agenda by Omnibus Vote

All items under the Consent Agenda are considered to be routine in nature and will be enacted by a single motion and subsequent roll call vote. There will be no separate discussion of these items unless a Village Board member so requests, in which event the item will be removed from the Consent Agenda and considered as the first item after approval of the Consent Agenda.

- (A) Minutes of the May 7, 2024 Board Study Session
- (B) Minutes of the May 14, 2024 Board Meeting
- (C) Bills and Monthly Financial Reports

8. Approval of Any Items Removed from Consent Agenda

Section B

9. Consideration of Bids, Contracts, and Other Expenditures

- (A) Motion to Authorize and Approve the Amendment of the Vacant Lot Purchasing Program to add the Property at 317 Steffler Street to the Program
- (B) Motion to Authorize and Approve a Contract for the Lead and Asbestos Abatement Project at 735 Pacesetter (Hangar 1) with Universal Asbestos Removal, Inc. in the amount of \$72,000.00

**RANTOUL VILLAGE BOARD OF TRUSTEES
REGULAR STUDY SESSION
May 7, 2024**

LOUIS B. SCHELLING MEMORIAL BOARD ROOM
RANTOUL MUNICIPAL BUILDING, 333 S. TANNER, RANTOUL, IL

A Regular Study Session of the Board of Trustees of the Village of Rantoul was held at at 6:00 P.M. Mayor Smith called the proceeding to order.

Roll Call

The Clerk called the roll, finding the following members present:

Mayor Smith, Trustees Wilson, Robertson, Workman and Weathersby – 5

The following representatives of Village departments were also present:

Scott Eisenhauer, Administrator; Tony Brown, Police Chief; Chad Smith, Fire Chief; Angie Schultz, Comptroller; Jake McCoy, Public Works Director; Luke Humphrey, Parks and Recreation Director; Chris Milliken, Zoning and Planning; Debbie Sage, Human Resources; Brian Hunt, Community Development; David Wesner, Attorney; Tana Ward, Deputy Village Clerk and Janet Gray, Village Clerk.

Mayoral Proclamation

- A. The Mayor read a Proclamation for Mental Health Matters Month. He declared May as Mental Health Matters Month in Rantoul.

Mayor's Presentation

- A. The Mayor gave the oath of Office to three new Police Officers.
1. Jonathan Grice previously was a Champaign County Court Security Officer and has worked at the Youth Detention Center. He has an Associate's Degree from Parkland in Criminal Justice and is originally from Rantoul.
 2. Armando Romero came from the Champaign County Sheriff's Department working Court Security. He has an Associate's degree from DACC in Danville in Criminal Justice. He currently lives in Danville.
 3. Shanice Guider came from the County Juvenile Detention Center and worked as Security for Carle Hospital. She has a Bachelor's degree in Criminal Justice from EIU and is working on her Masters in Criminal Justice at Purdue. She is originally from Chicago area and currently lives in Champaign.

Approval of Agenda

Trustee Robertson moved to approve the agenda. Trustee Weathersby seconded the motion. On a roll call vote:

AYE: Robertson, Workman, Weathersby and Wilson – 4.

NAYS: None – 0.

ABSENT: Crider and Hall - 2

The motion carried 4-0.

Public Participation

Coach Lew from Rantoul Falcon's Football addressed the Board about assisting the program with some funding as the program grows.

Items from Trustees

Trustee Wilson asked the Administrator to provide an update on the Sports Complex concerning attendance and revenue. The Center was in the black at the end of the 23-24 Budget year. There have been two weekends this spring where over 20,000 people have been in attendance.

Trustee Weathersby announced that the Regional Plan Commission is looking for teachers for its Early Development Program. More information is listed on the web site.

Items from Mayor

- A. Appointment of Scott Eisenhower as Village Administrator – originally appointed November 5, 2018.
- B. Appointment of Anthony Brown as Chief of Police – originally appointed August 7, 2017.
- C. Appointment of Chad Smith as Fire Chief – originally appointed July 12, 2022
- D. Appointment of Angela Schultz as Comptroller – originally appointed January 1, 2024.
- E. Appointment of Luke Humphrey as the Director of Parks & Recreation – originally appointed May 21, 2004.
- F. Appointment of Jacob McCoy as the Director of Public Works – originally appointed August 8, 2023.
- G. Appointment of Justin Bouse, Deputy Chief of Police as Emergency Services Disaster Agency (ESDA) Coordinator.
- H. Appointment of Janet Gray, Village Clerk and Justin Bouse, Deputy Chief of Police as Freedom of Information Officers.
- I. The Recreation Department Senior Luncheon will be held May 16, 2024 at 11:30 am - 12:30 pm. Call 217-893-5700 to RSVP.
- J. A Residential Electronics Collection event will be held on May 18, 2024 at Parkland College (Duncan Road) Call 217-384-3708 to Register.
- K. Village of Rantoul Clean Up Day will be held on Saturday, June 22 at 8:00 am to Noon.

Items A through H will go to the Board for approval.

Items from Clerk

- A. Minutes of April 2, 2024 Regular Study Session.
- B. Minutes of April 7, 2024 Board Meeting.

These minutes will go to the Board for approval.

Items from Fire Department

- A. Last fall 11 Firefighters started EMT training. Two firefighters, Kevin Wallin and Travis Wallin are now nationally registered Emergency Medical Technicians.

Items from Public Works

- A. The Department reviewed the results from the Cost of Service Study Findings from Utility Financial Solutions for the Village Electric, Gas, and Water Utilities. Dan Kasbohn joined the meeting via zoom to present the analysis of the study results. This type of study is usually undertaken every 3-5 years. The average increase suggested was 4% a year.
- B. The department requested the approval to purchase a Replacement 2018 Kenworth Water Truck for the Systems Collection Division from CIT Trucks in the amount of \$49,908.00. A \$1,000.00 contingency is requested to secure the title, license and any other miscellaneous expense. This will replace the 1993 water truck acquired from the military when Chanute closed. The frame is rusted through and the vehicle has become unusable. This is a budgeted item.

These items will go to the Board for approval.

Items from Human Resources

- A. The April 2024 Village Applicant Demographics Report is in the Board Packet. A list of Village Career Opportunities was included in the Packet.

Items from Police Department

No items to report.

Items from Comptroller

No items to report.

Items from Building & Environmental Safety

No items to report.

Items from Community Development

- A. The department requested the approval of a Resolution approving the Community Development Block Grant 2024 Annual Action Plan. This is a plan submitted annually to the US Department of Housing and Urban Development for funding. The Village was just notified they will receive \$314,260.00, which is less than projected. The plan will be adjusted accordingly.
- B. The department requested the approval of a contract for the Downtown Water and Wastewater Infrastructure Replacement Project Construction with SNC Construction, Inc, in the amount of \$1,488,282.02. This project will consist of the complete replacement of all water, sanitary sewer mains, water service lines and sanitary sewer laterals in the designated downtown area. This project is being paid for with Water Funds and ARPA funds. Construction should begin in June.
- C. The department requested the approval of an agreement for Construction Engineering Services for the Downtown Water and Wastewater Infrastructure Replacement Project with Hutchison Engineering, Inc. not-to-exceed the amount of \$150,000.00. ARPA funds will be used for this project.

These items will go to the Board for approval.

Items from the Parks and Recreation

- A. The department requested the approval of a Construction Contract for Reconstruction and Enlargement of Garage Bay Doors at the Fleet Maintenance Shop with Mid Illinois Concrete & Excavation in the amount of \$72,690.00, with a \$7,310.00 Contingency Fund. The west side doors were redone in 2016. With this construction the department will be able to pull into the shop and through to the other side. This is a budgeted item.

This item will go to the Board for approval.

Items from Administrator

- A. The administrator presented the final computation for the 2023 Property Tax Levy. The Village projected the rate as 1.897%. The final rate came in as 1.898%.

Items from Counsel

No items to Report

Meeting Adjourned

The Mayor adjourned the meeting at 7:24 pm.

Respectfully submitted,

Janet E. Gray, MMC
Village Clerk

Approved

Charles Smith
Village President

ATTEST:

Janet E. Gray, MMC
Village Clerk

I, Janet E. Gray, Village Clerk of the Village of Rantoul, Illinois, do hereby certify that the foregoing minutes are a true and correct copy of the Study Session of the Board of Trustees held May 7, 2024 as the same appears on the records of the Village now in my custody and keeping.

ITEM: Motion to Authorize and Approve the Amendment of the Vacant Lot Purchasing Program to add the Property at 317 Steffler Street to the Program	DEPARTMENT: Community Development
DATE: June 11, 2024	AMOUNT: N/A
ATTACHMENTS: 1. 317 Steffler Street Lot 2. Rantoul Vacant Lot Program (rev May 2024)	ADMINISTRATIVE NOTES:
SUMMARY HIGHLIGHTS: This item provides for the addition of the Village-owned lot at 317 Steffler Street into the Vacant Lot Purchasing Program. The Vacant Lot Purchasing Program was established in 2019 by Resolution 2-19-1277. From time to time, additional lots have been added to the program. To date, all previous lots except one added to the Program, have been sold. Village staff see no reason to continue to hold on to the lot at 317 Steffler Street, and there has been interest expressed in the lot by neighboring property owners.	
RECOMMENDED ACTION: Board approval of amending the Vacant Lot Purchasing Program to include the lot at 317 Steffler Street.	
DEPARTMENT HEAD APPROVAL Chris Milliken	VILLAGE ADMINISTRATOR Scott Eisenhauer

Rantoul Vacant Lot Program - Residential Use Only

The Rantoul Vacant Lot Program is a residential stabilization initiative to help property owners, neighborhood associations, and non-profit groups in Rantoul to purchase village owned land for \$100 per parcel. The lots may be used to expand the yards of existing homes, for beautification, for gardens, for housing, and other uses permitted by current zoning regulations. Successful applicants must maintain ownership of lots purchased through the program for at least 5 years. All encumbrances associated with each vacant lot will be removed by the Village making it more enticing for residents to pursue purchase.

The program goal is to improve, and preserve our community. The program is operating on a pilot basis and is subject to change as the needs and results are assessed. Up to two lots are available per application. Applicants that own property adjacent to the vacant lot will be given priority to purchase. Applicants will be given 60 days from approval date to finalize the purchase. Lastly, all applicants must be current on property taxes and have no financial obligations to the Village of Rantoul. Any purchaser who agrees to build a new home on the lot within 12 months will receive a refund of the purchase price of the lot.

There will be 2 phases for residents to take advantage of this offer.

Phase 1 (30 days in length)

Only property owners adjacent to a vacant parcel in all four directions are eligible to purchase at the discounted rate of \$100. If multiple adjacent property owners want the parcel, the parcel may be split in half and the cost will be \$50 per half parcel. Purchasers are responsible for re-platting within 60 days of purchase if splitting the lot between two property owners.

Phase 2 (30 days in length)

Remaining unsold properties from Phase 1 will be offered for purchase to any resident in Rantoul via sealed bid. The minimum bid will be \$250.

Properties will be sold “as is” via a Quit Claim deed.

Note: The program is operating on a pilot basis and is subject to change as the needs and results are assessed.

Requirements:

- Lots for purchase for \$100 must be approved by the Village of Rantoul staff
- Limit up to two lots are available per application for purchase
- Ownership of purchased lot must be maintained for 5 years minimum; if the purchased lot is shared between two property owners then a re-platting must occur so any future sale of either property includes the additional land
- If a property purchased under this program is sold prior to the five-year minimum ownership requirement is fulfilled, the original purchaser of the property will be assessed a fee of \$500 or the Full market value, whichever is greater; HOWEVER, the individual who sold the property

prior to the five years has the ability to appeal any assessment. All appeals of an assessment shall be heard by the Village Administrator for a final determination.

- Phase 1 - You must own and live in the property that directly borders the vacant lot; if there are multiple bidders on a property, priority will be given to property owners bordering the long side of the property line, with those bordering the short side given secondary consideration
- You must be current on all taxes, water and sewer bills, and any other financial obligations to the Village of Rantoul, and not have any outstanding code violations for any property you own in the Village of Rantoul

Additional costs:

- Purchaser is responsible for all costs, including but not limited to the \$51 recording fee with Champaign County Register of Deeds and any re-platting necessary if splitting the lot between residents.
- Additional property taxes that will be assessed with the addition of the extra lot
- Utility Charges (Storm Water and other fees may appear on your next Village of Rantoul Utility bill)

Steps to Apply:

Submit the online form below or manually complete and return the \$100 Vacant Lot Application Form to the Village of Rantoul Village Administrator

The Village will determine whether or not the vacant lot you request is available and eligible.

The Village will certify that you are in good standing with the Village of Rantoul

Ideas for Vacant lots include but are not limited to: garden, or landscaped open space, new home construction

Our process is as follows:

- Requests are processed in the order registered and added to the waiting list with priority given to the property owners adjacent to the vacant lot - a lottery will be used if requests are submitted at the same time
- Lots only available to homeowners who live in their house
- If two owner-occupants live next to a lot and both wish to purchase it we may divide the property
- The Village staff will review the application and determine eligibility
- Once approved, the sale process can begin and applicant has 60 days to complete sale
- Verification will be conducted to insure the purchaser is current on taxes and are in good standing with the Village of Rantoul
- The sale process is terminated if you are not in good standing with the Village of Rantoul and/or the county
- You will be provided an offer to purchase to complete, sign and return
- A date will be set for you to close on the property
- You must provide a cashier's check or money order for the lot purchase and \$51.00 for Champaign County recording fees and any other miscellaneous fees
- After closing the recorded deed will be mailed to you within two weeks

AGENDA ITEM

ITEM: Motion to Authorize and Approve a Contract for the Lead and Asbestos Abatement Project at 735 Pacesetter (Hangar 1) with Universal Asbestos Removal, Inc. in the amount of \$72,000.00	DEPARTMENT: Community Development
DATE: June 11, 2024	AMOUNT: \$72,000.00
ATTACHMENTS: 1. 735 Pacesetter Abatement Project	ADMINISTRATIVE NOTES:
SUMMARY HIGHLIGHTS: This item provides for the abatement of asbestos and lead hazards in the high bay area of the Village-owned building at 735 Pacesetter Drive (Hangar 1). The project will consist of encapsulation and removal of both asbestos and lead hazards within the original high bay area of the building. This work is to be done by the Village, in conjunction with the leasing of the building to Flyover Studios, for the subsequent construction of sound stages and studio build-outs within the space. The project was advertised for bid in April, and bids were received and opened on May 1, 2024. A total of six (6) bids were received, and a bid summary is attached for reference. A low bid in the amount of \$72,000.00 was provided by Universal Asbestos Removal, Inc. Staff determined that this bid and bidder met all requirements, and thus this bid is being recommended for acceptance. This project would be paid for from the Village's Economic Development Fund (Fund 208). It is anticipated abatement work would start by September, and take a month to two months to complete. Once this abatement work is complete, the lessee would be able to move forward with its grant funded improvements to the space as they grow and expand their operations.	
RECOMMENDED ACTION: Authorize the acceptance of the bid and awarding of a contract to Universal Asbestos Removal, Inc in the amount of \$72,000 for the abatement of asbestos and lead hazards at 735 Pacesetter Drive.

COVER SHEET

Clearance is to be by aggressive PCM and will follow requirements defined in 77IAC, Sections 855.170 (b)(c)(d) and 855.470.

LEAD: The Contractor shall install separation barriers with sufficient signage to isolate the building in order to prevent access by unauthorized personnel. The Contractor shall regulate the perimeter of all work areas with barrier tape and "LEAD CAUTION" signage/demarcation.

Owner will be responsible for removing all moveable objects from the work areas where lead stabilization is scheduled. Any objects still present in the subject work area shall be protected by the Contractor.

Contractor shall stabilize all LBP, dust, and debris from all work areas including the floor and all horizontal surfaces.

Contractor shall HEPA-vacuum and wet wipe all surfaces within the subject area. All waste shall be containerized for proper disposal daily.

The method of removal may be determined by the Contractor. Suggestions include scraping, pressure washing, or any other allowable method that is agreed upon by MEC. The method of removal shall be written on the Bid Form by the Contractor.

Reference Surveys:
N/A

A remote 3-chamber decon unit shall be constructed and present in all work areas while work is being performed.

Contractor shall conduct a "pre-clean" utilizing a HEPA-vacuum and shall clean up any visible loose paint chips and LBP-affected debris within each work area. Contractor shall then apply a minimum 4-mil poly drop cloth underneath where lead abatement activities will take place. Drop cloths shall be disposed of on a daily basis. Contractor shall re-apply a new drop cloth at the beginning of each work shift. Contractor shall clean loose paint chips up daily.

All waste shall be adequately wet and double-bagged. Waste containers shall be labeled and leak-proof. All double-bagged and labeled waste shall be transported from the work area in a covered gondola. No waste shall be left within the building overnight.

double-bagged and labeled waste shall be transported from the work area in a covered generator. The material shall be left within the building overnight.

The owner will assist the Contractor with electrical shut downs and HVAC isolation within the work area. The building owner shall be responsible for maintaining appropriate life safety code requirements, including fire protection, for the building for the duration of the project.

Subject: **Asbestos and Lead Abatement Bid Review for Village of Rantoul**
Project Location: **Former Air Force Hangar**
Address: **735 Pacesetter Drive**
Rantoul, IL 61866
MEC Project #: **24-03-280 PD**

Dear Mr. Milliken

On Wednesday, May 1, 2024, bids for asbestos and lead abatement were received by the Village of Rantoul. A summary of the bid is as follows:

Scope of Work: Base Bid –Phase 2

Company	Base Bid – Phase 2
<i>Universal Asbestos Removal, Inc.</i>	<i>\$72,000.00</i>
Kinsale Contracting Group, Inc.	\$145,360.00
Valor Technologies, Inc.	\$152,000.00
M & O Environmental	\$192,300.00
Midway Contracting Group	\$235,000.00
Alloy Group	\$281,500.00

Based on my discussion with Universal Asbestos Removal, Inc. they expressed that they understand the project and the entire scope of the work. All information requested by the bid document was supplied. After our review of all the information, Universal Asbestos Removal, Inc. has submitted the lowest responsible bid for The Village of Rantoul.

VILLAGE OF RANTOUL
CONTRACT

1. THIS AGREEMENT, made and concluded the 11th day of June 2024, between the Village of Rantoul (OWNER) acting by and through its Council known as the party of the first part, and Universal Asbestos Removal, Inc, his/her/their executors, administrators, successors or assigns, known as the part of the second part.
2. WITNESSETH: That for and in consideration of the payments and agreements mentioned in the BID hereto attached, to be made and performed by the party of the first part, and according to the terms expressed in the Bond referring to these presents, the party of the second part agrees with said party of the first part at his/her/their own proper cost and expense to do all the work, furnish all materials and all labor necessary to complete the work in accordance with the Plans and Specifications hereinafter described, and in full compliance with all of the terms of this agreement and the requirements of the ENGINEER under it.
3. And it is also understood and agreed that the Notice to Contractors, Special Provisions, CONTRACT Bond hereto attached, for the **Asbestos/Lead Abatement Project at 735 Pacesetter Dr (Hangar 1)** in Rantoul, Illinois, approved by the Village Administrator on May 30, 2024, are all essential documents of this contract and a part hereof.
4. IN WITNESS WHEREOF, the said parties have executed these presents on the date above mentioned.

VILLAGE OF RANTOUL

CONTRACT BOND

MUNICIPALITY Rantoul
COUNTY Champaign
PROJECT Asbestos/Lead Abatement
Project at 735 Pacesetter (Hangar 1)

We _____ as PRINCIPAL, and _____

as SURETY, are held and firmly bound unto the above Village of Rantoul, Illinois (hereafter referred to as "OWNER" in the penal sum of _____ (\$ _____), lawful money of the United States, well and truly to be paid unto said OWNER, for the payment of which we bind ourselves, our heirs, executors, administrators, successors, jointly to pay to the OWNER this sum under the conditions of this instrument.

WHEREAS THE CONDITION OF THE FOREGOING OBLIGATION IS SUCH that, the said Principal has entered into a written contract with the OWNER acting through its awarding authority for the construction of work on the above section, which contract is hereby referred to and made a part hereof, as if written herein at length, and whereby the said Principal has promised and agreed to perform said work in accordance with the terms of said contract, and has promised to pay all sums of money due for any labor, materials, apparatus, fixtures or machinery furnished to such Principal for the purpose of performing such work and has further agreed to pay all direct and indirect damages to any person, firm, company, or corporation suffered or sustained on account of the performance of such work during the time thereof and until such work is completed and accepted; and has further agreed that this bond shall inure to the benefit of any person, firm company, or corporation, to whom any money may be due from the Principal, subcontractor or otherwise, for any such labor, materials, apparatus, fixtures or machinery so furnished and that suit may be maintained on such bond by any such person, firm, company, or corporation, for the recovery of any such money.

NOW THEREFORE, if the said Principal shall well and truly perform said work in accordance with the terms of said contract, and shall pay all sums of money due or to become due for any labor, materials, apparatus, fixtures or machinery furnished to him for the purpose of constructing such work, and shall commence and complete the work within the time prescribed in said contract, and shall pay and discharge all damages, direct and indirect, that may be suffered or sustained on account of such work during the time of the performance thereof and until the said work shall have been accepted, and shall hold the OWNER and its awarding authority harmless on account for any such damages and shall in all respects fully and faithfully comply with all the provisions, conditions, and requirements of said contract, then this obligation to be void; otherwise to remain in full force and effect.

IN TESTIMONY WHEREOF, the said PRINCIPAL and the said SURETY have caused this instrument to be signed by their respective officers this _____ day of _____ A.D. 2024

BID BOND

A Certified Check or Bid Bond in the amount of 10% of the bid shall be submitted with the bid to guarantee that bidder will sign agreement and will enter into the Contract and furnish within ten (10) days if awarded the work or forfeit their bid security. The Bid Bond must be secured by a surety company. The surety company must be authorized to do business in the State of Illinois and must be acceptable to the Owner. If the bid guarantee is not submitted with the bid, the Owner shall reject the bid. The Owner reserves the right to reject any or all bids for any reasons, may waive informalities irregularities in the bids, bid procedure or the bidding of contract documents, and may award any bid to any bidder or reject any bid, as it may deem to be in the best interest of the Owner.

The contract award will be determined based upon Base Bid, Selected Alternative, Contractor reputation, experience, service capabilities, facilities and adherence to all conditions and requirements of the Bid Specifications.

BID FORM-CONTINUED

PERFORMANCE BOND

The successful bidder will be required to furnish a Performance Bond and Labor and Material Payment Bond satisfactory to the Owner in the amount of the Contract. The accepted bidder shall pay the total cost of these bonds. All bids submitted shall remain firm for a period of (60) days after the official opening of bids.

AGENDA ITEM

ITEM: Motion to Authorize and Approve the Rewind and Repair of a 12 MVA Pad-Mount Transformer from Sunbelt Solomon in the amount of \$725,467.00	DEPARTMENT: Public Works
DATE: June 11, 2024	AMOUNT: \$725,467.00
ATTACHMENTS: 1. Rewind - Repair of Transformer	ADMINISTRATIVE NOTES:
SUMMARY HIGHLIGHTS: This Agenda Item provides for the rewind and repair of a three-phase 12 MVA (13.8kv-69000kv) pad-mount transformer from Sunbelt Solomon in the amount of \$725,467.00. After evaluation, staff found that the transformer needed significant repairs completed, and a rewind. Attached are the pictures from the assessment. The pad-mount transformer at the Prospect substation failed on November 15, 2023, and the transformer must be replaced to maintain reliability due to the heavy load from the Industrial Area. Sunbelt Solomon was the only vendor that could meet the voltage requirements. The quote is provided for your reference. The purchase is a budgeted item for Fiscal Year 2025.	
RECOMMENDED ACTION: Authorize the approval for the rewind and repair of a three-phase 12 MVA (13.8kv-69000kv) pad-mount transformer from Sunbelt Solomon in the amount of \$725,467.00.

No-Load Losses, Full Load Losses, Impedance, Induced Potential,
Applied Potential, Doble Power Factor

3 Year Warranty

All REMAN Units are Completely Reconditioned to Nameplate Specifications

Destination: | **FOB:** Origin | **Shipping & Handling:** Prepaid & Allowed
Shipment: 47-49 Weeks | **Warranty:** 3 Years | **Terms:** Net 30 with approved credit.

Offer to sell valid for 30 days. Price is subject to re-evaluation after 15 days. Units subject to availability.

Please note any changes to the specifications on this quotation form and reference the quotation number on your Purchase Order. Sunbelt Solomon ("Supplier") will use your Purchase Order to proceed with manufacturing when terms and conditions are finalized. Please note that changes made after the manufacturing process begins may result in additional charges and potential delays in production. Production of units that are contingent on the approval/receipt of drawings will begin the manufacturing process after the final sign off on the specified drawings by the customer. Please contact your sales representative for the estimated drawing lead time associated with this quote.

All sales, rental and services are subject to Supplier's Terms and Conditions for Sales and Rentals of Equipment and/or Services ("Terms and Conditions") unless otherwise mutually agreed in writing by officer of Supplier as evidenced by such officer's signature. Acceptance of a Buyer purchase order by Supplier does not constitute acceptance of Buyer terms and conditions. As orders are time sensitive and it is cost prohibitive to review and negotiate terms and conditions between parties, Supplier Terms and Conditions apply to quotes/orders: 1) with a value before tax of \$25,000 or less, 2) emergency services or services completed before issuance of a purchase order, and 3) rush orders for sales and rental that are to ship within three (3) days regardless of submission of terms and conditions by Buyer. If the Quotation is for Company to perform evaluation services on Customer-owned equipment (e.g. for Company to determine how/if the piece of equipment failed and/or whether it can be repaired), then the provisions of terms and conditions will apply which include (among other provisions) risk of loss remaining with Customer and Company only being liable for damage to this equipment to the extent of its gross negligence or willful misconduct. In no event does Supplier accept consequential damages or agree to Prime/Owner contract terms and conditions.

Price does not include tax. If applicable, tax will be added to the invoice. If order is tax exempt, please provide a copy of your exemption certificate. Unit(s) quoted are for normal service conditions as defined by ANSI/IEEE Standards. Notify Supplier at time of quotation should the unit(s) be subject to harmonics, motor starting, shovel duty, or other special service conventions.

All Delivery dates are estimates and under no circumstances does Company guarantee date of delivery. Company shall not be responsible or liable for any damage or loss which occurs during transportation and/or shipment of the Equipment. Company is not liable or responsible for any costs of Customer caused by any delays in transportation or delivery.

Company reserves the right to manufacture and ship any items in advance of the acknowledged shipping schedule, unless expressly forbidden by the Customer at the time of the order entry.

Cancellation or Revision of Order

Any Purchase Order may be cancelled or revised by Customer only upon written approval by an authorized representative of the Company, and at the Company's sole discretion. Should Company approve cancellation or revision of a Purchase Order, Customer shall pay the cancellation or revision charges specified in said approval. Cancellation or revision charges will include expenses previously incurred, commitments made pursuant to or in reliance upon such Purchase Order, whether or not such commitments are legally binding on Company, and any other factors considered relevant by Company. In the event that Company does not approve cancellation or revision, Customer shall remain liable to Company for the full price of the Equipment, Rental and/or Services ordered.

Cancellation charges are calculated for each unit cancelled per its individual status.

Standard Cancellation Charges:

Cancellation Charges:	% of PO Price
Upon Purchase Order acceptance	25
After materials are ordered	50
After production begins for Equipment	75
Once production is complete for Equipment	100

Company reserves the right to re-quote both price and lead time for any request to revise an order. If it is determined that a revision will incur an additional revision charge, charges are calculated for each unit revised per its individual status.

Standard Revision Charges:

Revision Charges:	% of Selling Price
Before Engineering Review / Scheduling	0
Before Production Begins	35
After Production Begins	100

AGENDA ITEM

ITEM: Motion to Authorize Waiving the Formal Bidding Procedure, and Motion to Authorize and Approve the Purchase of two Voltage Regulators for the Industrial Substation, and the purchase of three Voltage Regulators for the Prospect Substation, from Midwest Electric Transformer Services Inc. in the amount of \$158,000.00	DEPARTMENT: Public Works
DATE: June 11, 2024	AMOUNT: \$64,000.00 - Industrial Substation \$94,000.00 - Prospect Substation \$158,000.00 - Total
ATTACHMENTS: 1. Substation Voltage Regulators	ADMINISTRATIVE NOTES:
SUMMARY HIGHLIGHTS: This Agenda Item provides for the purchase of two (2) three-phase voltage regulators for the Industrial Substation, and for the purchase of three (3) three-phase voltage regulators for the Prospect Substation from Midwest Electric Transformer Services Inc. in the amount of \$158,000.00. The timeline since November 15, 2023, when the Prospect Transformer failed: • All the customers have been served by one transformer at the Industrial Substation. • A rental transformer was ordered, and is expected to arrive in May. • On May 10, a significant setback occurred when two of the voltage regulators at the Industrial Substation transformer failed, plunging the Industrial Area into a power outage. • Two voltage regulators were ordered from Midwest Electric Transformer Services Inc., the only company in the Midwest with them in stock. • On May 12, the power was back on for the Industrial Area. • On May 15, the rental unit for Prospect Substation was delivered with no regulators, so three additional units were ordered and installed.	

- On May 19, the Prospect Substation transformer was turned on.

Staff found the proper-sized regulators, and they ordered them to get them running again, due to the emergency-type nature.

The purchase is a budgeted item for Fiscal Year 2025.

RECOMMENDED ACTION: Authorize the waiving of the formal bidding procedures and provide for the purchase of two (2) three-phase voltage regulators for the Industrial Substation and for the purchase of three (3) three-phase voltage regulators for the Prospect Substation from Midwest Electric Transformer Services Inc. in the amount of \$158,000.00

AGENDA ITEM

ITEM: Motion to Authorize and Approve a Service Agreement for the Sludge Dewatering and Removal of Solids at the Waste Water Treatment Plant with Merrell Bros, Inc. in the amount of \$33,728.00, with a contingency fund of \$10,000.00	DEPARTMENT: Public Works
DATE: June 11, 2024	AMOUNT: \$33,728.00 - Merrell Bros., Inc. <u>\$10,000.00 - Contingency</u> \$43,728.00 - Total
ATTACHMENTS: 1. Merrell Bros Service Agreement	ADMINISTRATIVE NOTES:
SUMMARY HIGHLIGHTS: This Agenda Item provides for a service agreement with Merrell Bros., Inc. for the necessary equipment and resources to perform on-site sludge dewatering at the Village of Rantoul Waste Water Treatment Plant (WWTP). The upcoming WWTP Phase 1 Improvements include taking the West Digester offline for repairs. The East Digester and both lagoons are full of sludge, so we have no room for any material. We need them dewatered before the project is going to start in July. A copy of the vendor's proposal is attached, which indicates an anticipated cost of \$33,728.00 per set-up and use. A contingency fund in the amount of \$10,000.00 is requested to ensure the process goes smoothly, and to offer flexibility should things change. This is an unanticipated Fiscal Year 2025 expense, and this would be funded through the Wastewater Account of 536-1136-430.40-50.	
RECOMMENDED ACTION: Authorize the approval of a service agreement with Merrell Bros., Inc. in the amount of \$33,728.00 with a contingency fund of \$10,000.00 for the de-watering and removal of solids at the WWTP.

BELT PRESS RENTAL VILLAGE OF RANTOUL, IL

Prepared by:

Jordan Gard,
Merrell Bros., Inc.
jordan.gard@merrellbros.com

Submitted on: June 04, 2024

Prepared for:

Jake McCoy
Public Works Director

Proposal Order: June 04, 2024

Each belt press Merrell Bros., Inc. provides will include the following key components: Sludge Feed Pump & Macerator, a NEMA 4X Stainless Steel Control Panel, a Polymer System, a Wash Water Pump, and a Custom Conveyor capable of loading dewatered material directly into dump trucks or semi-dump trailers.

The Vogelsang rotary lobe positive displacement pump can feed the belt press at maximum capacity. Each belt press requires 100 amps of 3 Phase 480 VAC power, which the NEMA 4X Stainless Steel Control Panel will provide manual or PLC control of. This control panel will manage the belt press drive motor, hydraulic unit, wash water pump, sludge feed pump, macerator, polymer system, and sludge conveyor(s).

Each mobile belt press is equipped with a liquid emulsion polymer system. The Village of Rantoul will be responsible for providing potable or reuse water near the setup area. The belt press wash water booster pump and polymer system require a minimum water supply of 150 gallons per minute at 50 psi minimum. This proposal assumes Merrell Bros., Inc. will connect 4" or 6" camlock hoses to the flooded suction sludge supply. Filtrate will gravity flow to a ground-level manhole near the setup area. Merrell Bros., Inc. can supply totes on emulsion polymer if needed.

Description	Price	Qty	Price
Mobilization & Demobilization of Equipment Only: Lump Sum, Per Belt Press	\$4,950	1	\$4,950
Mobile Belt Filter Press Rental Per Belt Press, Per Calendar Day*	\$1,165	14	\$16,310

Merrell Bros., Inc. proposes to provide excellent customer service to Village of Rantoul, IL., as outlined in this proposal. This proposal includes project management, equipment, materials, labor, scheduling, supervision, and quality assurance. Additional charges will be included if changes are made to the project scope of work once this document has been executed.

To proceed with this project, please digitally sign below to accept this proposal. Upon acceptance, Merrell Bros., Inc. will contact Village of Rantoul, IL. to develop a project schedule and prepare for mobilization.

The proposal may be withdrawn if not accepted within 30 days.

AGENDA ITEM

ITEM: Motion to Pass <u>Resolution 06-24-1415</u> , a Resolution Authorizing and Approving a Local Public Agency Agreement for State Participation Concerning the Construction and Maintenance of the Veterans Parkway Shared Use Path Extension	DEPARTMENT: Community Development
DATE: June 11, 2024	AMOUNT: \$677,815.00 Project is 100% grant funded
ATTACHMENTS: 1. Resolution 06-24-1415 - Approving Local Public Agency Agreement for State Participation - Veterans Parkway Shared Use Path 2. IDOT LPA Joint Funding Agreement C-95-013-24	ADMINISTRATIVE NOTES:
SUMMARY HIGHLIGHTS: This item provides for the approval of local public agency funding agreement between the Village and the Illinois Department of Transportation (IDOT) to allocate costs and funding for the construction of the Veterans / Perimeter Shared Use Path Extension from Maplewood Drive to Perimeter Road, and to Pleasant Acres School to join up with the previously awarded Safe Routes to School project at that location. This agreement also serves as a Local Assurance document, which indicates that the Village is willing and able to manage, maintain, and operate the project under the guidelines & authority of the Illinois Department of Transportation (IDOT). Illinois Transportation Enhancement Program (ITEP) grants typically require a minimum of 20% local funding match, but the grant funding awarded was for 100% of the estimated total project cost. Notice of the receipt of ITEP grant funding to carry out this project was received on April 12, 2023 from IDOT. In July of 2023, the IDOT funding agreement for the design engineering work, and the issuance of a contract for that design engineering work was approved by the Board.	

With execution of this agreement, it is anticipated that the construction could be put out for bid in the next couple of months, with a contract executed and construction being completed this coming fall.

RECOMMENDED ACTION: Board approval of the Local Public Agency Agreement with the Illinois Department of Transportation (IDOT) for the allocation of costs and funding for the construction of the Veterans/Perimeter Shared Use Path Extension.

DEPARTMENT HEAD APPROVAL

RESOLUTION 06-24-1415

**A RESOLUTION
AUTHORIZING AND APPROVING A LOCAL PUBLIC AGENCY AGREEMENT
FOR STATE PARTICIPATION CONCERNING THE CONSTRUCTION AND
MAINTENANCE OF THE VETERANS PARKWAY SHARED USE PATH EXTENSION**

WHEREAS, there has been presented to and there is now before this meeting of the President and the Board of Trustees (the **“Corporate Authorities”**) of the Village of Rantoul, Champaign County, Illinois (the **“Village”**) at which this Resolution is adopted, the form of a certain Local Public Agency Agreement (the **“Agreement”**) by and between the Village and the State of Illinois, acting by and through the Illinois Department of Transportation (the **“State”**) for the construction and maintenance of a shared-use path along Veterans Parkway, State Job Number C-95-013-24.

NOW THEREFORE, BE IT RESOLVED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF RANTOUL, CHAMPAIGN COUNTY, ILLINOIS, as follows:

Section 1. That the Agreement by and between the Village and the State, in substantially the form thereof, which has been presented to and is now before the meeting of the Corporate Authorities of the Village at which this Resolution is adopted, be and the same is hereby authorized and approved.

Section 2. That for and on behalf of the Village, the Village President is hereby authorized to execute and deliver the Agreement, with such insertions, changes, and revisions in the form of such Agreement as may be approved by such Village President, such execution or acceptance thereof, as the case may be, to constitute conclusive evidence of such approval of any and all such insertions, changes or revisions therein from the form of the Agreement now before the meeting of the Corporate Authorities at which this Resolution is adopted.

This Resolution is hereby passed, the “ayes” and “nays” being called, by the concurrence of a majority of the members of the Corporate Authorities then present at a regular meeting held on the date set forth below.

PASSED this 11th day of June, 2024.

Village Clerk

APPROVED this 11th day of June, 2024.

Village President
