**RANTOUL VILLAGE BOARD OF TRUSTEES
REGULAR STUDY SESSION
JUNE 3, 2025**

LOUIS B. SCHELLING MEMORIAL BOARD ROOM
RANTOUL MUNICIPAL BUILDING, 333 S. TANNER, RANTOUL, IL

A Regular Study Session of the Board of Trustees of the Village of Rantoul was held at at 6:00 P.M. Mayor Hall called the proceeding to order.

The Mayor read a statement about the domestic event this morning. He thanked the first responders and stated that violence is never the answer. He said everyone needs to work together to build a community where peace, healing and safety are the norm.

Roll Call

The Clerk called the roll, finding the following members were physically present:

Mayor Hall, Trustees Workman, Crider, Wilson, Graham, Robertson and Haines – 7.

The following representatives of Village departments were also present:

Scott Eisenhauer, Administrator; Tony Brown, Police Chief; Chad Smith, Fire Chief; Angela Schultz, Comptroller; Luke Humphrey, Recreation & Parks Director; Jake McCoy, Public Works Director; Chad Isley, Assistant Public Works Director Chris Milliken; Community Planning and Development; Tana Ward, Executive Assistant, Audio/Visual; David Wesner, Attorney and Janet Gray, Village Clerk

Mayoral Proclamation

The Mayor read a Proclamation for Juneteenth National Independence Day.

Approval of Agenda

Trustee Robertson moved to approve the agenda. Trustee Crider seconded the motion.

On a roll call vote:

YEAS: Robertson, Haines, Workman, Crider, Wilson and Graham – 6.

NAYS: None – 0.

The motion carried 6-0.

Public Participation

Mayor Hall opened the public comment portion of the meeting per the Open Meetings Act.

Jasmine Boyce let the Board know that the Farmer's Market will be held July 11 – Aug 15 in the same place as last year. They accept snap and link payments.

Items from the Mayor

The Mayor will be working to fill the committees. Anyone who would like to serve please contact him.

Items from Trustees

Trustee Crider thanked the Mayor for his leadership in acknowledging the event today. She also thanked the Mayor for the Juneteeth Proclamation.

Items from Clerk

- A. Minutes of May 6, 2025 Special Board Meeting
- B. Minutes of May 6, 2025 Study Session
- C. Minutes of May 13, 2025 Board Meeting

These minutes will go to the Board for approval.

Items from Human Resources

- A. Village Career opportunities were listed in the Board Packet.

Items from Comptroller

No items to report.

Items from Police Department

- A. The Department is requesting the approval of, and authorization to sign, a grant agreement with the Illinois Law Enforcement Training for the Ballistics IQ Software and Master Agreement from Evidence IQ, Inc. The grant is \$24,999.00 and would allow for the purchase of this software/hardware for a one-year period. After that year the department will evaluate its usefulness. This data analysis program is used for investigatory law enforcement purposes.

This item will go to the Board for approval.

Items from Fire Department

- A. The Department is requesting the approval of an Ordinance Amending Chapter 16 of the Village Code to Create an Emergency Medical Technician Classification for the Fire Department. With the number of medical calls, the local EMS provider is currently diverting them to the Fire Department for initial response. It would be beneficial for those individuals with an Emergency Medical Technician (EMT) license to have the ability to join the Department without an expectation that they will respond for purposes other than medical calls. Since they would not serve in a Firefighter role, language must be added allowing for an individual to serve on the Department only in the role of EMT. The person would have to already be qualified as an EMT before joining the department.

This item will go to the Board for approval.

Items from Community Planning and Development

- A. Chris Milliken gave an update on the Downtown Reconstruction & Streetscape Project. Construction has been mostly on the sidewalks on the north side of Sangamon. The project is still on schedule. The ITAP application was fully approved for the Pleasant Acres Sidewalk grant.

Items from the Parks and Recreation

No items to report.

Items from Public Works

- A. The Department is requesting the approval of an Engineering Service Agreement with Donohue & Associates, Inc. for the Development of the Wastewater Industrial Monitoring - Local Limits Technical Evaluation Project for a not-to-exceed amount of \$63,400.00. As a part of the renewal for the National Pollutant Discharge Elimination System (NPDES) Permit No. IL0022128, the USEPA requires the Village to develop an industrial pretreatment program.
- B. The Department is requesting the approval of the Prospect Substation Upgrade Change Order #1 for the Redesign of Switchgear Equipment from Powercon Corp. in the amount of \$509,307.00 for a total project cost of \$2,347,462.00. The scope of the project has changed which requires the upgrade and change order.

These items will go to the Board for approval.

Items from Administrator

- A. The Administrator is requesting the approval of a Host Community Agreement between Area Disposal Service, Inc and the Village of Rantoul. GFL Environmental Inc, the Village's current solid waste hauler, intends to file a Sighting Application with the Village to build a waste recycling and transfer station on the site of their new office building on the North Frontage Road. This agreement requires Area Disposal Service, Inc to provide education to the public throughout the process relevant to the Champaign County Solid Waste Management Plan. Approving the process does not obligate the Village to approve the final application. This agenda item only refers to the process to be used during consideration of the application. Mathew Colter from GFL was available for any questions from the Board. GFL has already invested more than \$3 million in the new building.
- B. The Administrator is requesting the approval of Ordinance 2796, an Ordinance Amending Chapter 28, Solid Waste, of the Village Code in Connection with Pollution Control Facilities. GFL Environmental Inc, intends to submit a proposal for a pollution control facility within the Village. Prior to doing so, it is necessary to amend Chapter 28 to include a process for approval of a pollution control facility in the Village. Approving this agenda item approves the process only, and does not obligate the Village Board to approve the application for the pollution control facility.

These items will go to the Board for approval.

Items from Counsel

No items to report.

Announcements

- A. A Public Meeting on the Update on PFAS Actions & Remedial Investigation for the Former Chanute Air Force Base will be Wednesday, June 11 at 7:00 pm in the Louis B. Schelling Memorial Board Room.
- B. The Light up Rantoul - Rotary Business Expo will be Saturday, June 14 from 10:00 am - 4:00 pm at the Flyover Film Studios (Hangar One). Admission is free for Family Fun, Food, Drinks, Entertainment.

Closed Session

Trustee Crider move to enter into closed session pursuant to 5 ILCS 120/2 (C) 5, to consider the purchase or lease of real property for the use of the public body, including meetings held for the purpose of discussing whether a particular parcel should be acquired. Trustee Wilson seconded the motion. On a Roll Call vote:

YEAS: Crider, Wilson, Graham, Robertson and Haines – 5.

NAYS: Workman - 1.

Motion carried 5-1.

The Board entered into Closed session at 6:43 pm.

The Board returned to Open session at 7:01 pm.

Meeting Adjourned

Trustee Crider moved to adjourn the meeting. Trustee Workman seconded the motion. On a roll call vote:

YEAS: Crider, Wilson, Graham, Robertson, Haines and Workman – 6.

NAYS: None - 0.

Motion carried 6-0.

The meeting was adjourned at 7:02 pm.

Respectfully submitted,

Janet E. Gray, MMC
Village Clerk

Approved

Samuel E. Hall, III
Village President

ITEM: Electric Cost of Service, Financial Projection, and Rate Design Summary for Fiscal Years 2026 to 2030 from Utility Financial Services	DEPARTMENT: Public Works
DATE: July 1, 2025	AMOUNT:
ATTACHMENTS: 1. UFS Presentation	ADMINISTRATIVE NOTES:
SUMMARY HIGHLIGHTS: This Agenda Item provides for the review of Utility Financial Solutions (UFS) electric cost-of-service study, financial projects, and rate design summary. These reviews assess the current financial position and outlook for Village utility costs of operation and recommend any necessary modifications or reallocations. This type of review is typically conducted every three (3) years for electric. The most recent electric study was undertaken in 2023. UFS (Dan Kashom) has previously conducted various utility rate reviews for the Village, and he is well-versed in the Village's accounting and utility systems.	
RECOMMENDED ACTION: Authorize the approval of Utility Financial Services (UFS) for the suggested rate track for the Electric Utility.	
DEPARTMENT HEAD APPROVAL Jacob D. McCoy, P.E.	VILLAGE ADMINISTRATOR Scott Eisenhauer

Village of Rantoul Public Works, Electric

Preliminary Discussion
Electric Cost of Service, Financial Projection and
Rate Design Summary for FY 2026 to FY2030

Revised 6/13/2025

Discussion

Financial Projection

- Meet revenue requirements
- Measure to key financial targets

Cost of Service *(reference 2024 results)*

- Monthly meter charge
- Identify fairness between rate classes

Recommendations

- Optional revenue adjustment
- Options to adjust each rate towards cost of service

Projection Assumptions

The following assumptions were used in projections

Fiscal Year	Inflation	Growth	Purchase		Investment Income	Total Capital Program	Plant % Depreciated	Bond Issues (20Yr @ 4%)
			Power	Change				
2026	3.5%	0.5%	0.0%	0.0%	1.5%	\$ 5,432,870	56%	\$ 18,000,000
2027	3.5%	0.5%	1.0%	1.0%	1.5%	12,912,259	49%	-
2028	3.5%	0.5%	1.0%	1.0%	1.5%	1,500,000	51%	-
2029	3.5%	0.5%	1.0%	1.0%	1.5%	1,500,000	53%	-
2030	3.5%	0.5%	1.0%	1.0%	1.5%	5,200,000	52%	-

- FYE 2025 cash was \$4,526,721
- Bond issue mid-year FY2026 and interest only payment in FY2026

Projection Summary

Under current rates implemented 5/1/2025:

Fiscal Year	Date of Implementation	Projected Rate Adjustments	Total Capital Program	Debt Coverage Ratio	Payment In Lieu of Taxes	Projected Operating Income	Optimal Operating Income	Projected Cash Balances	Recommended Minimum Cash	Bond Issues (20Yr @ 4%)
2026	Nov. 1, 2025	0.0%	\$5,432,870	3.83	\$ 758,646	\$ (214,213)	\$1,117,020	\$ 18,114,323	\$ 6,046,315	\$ 18,000,000
2027	May 1, 2026	0.0%	12,912,259	1.04	785,198	(786,942)	2,066,196	5,256,052	5,711,449	-
2028	May 1, 2027	0.0%	1,500,000	0.74	814,241	(1,285,870)	2,092,115	3,406,484	6,573,580	-
2029	May 1, 2028	0.0%	1,500,000	0.56	840,783	(1,556,182)	2,118,823	1,318,860	6,652,428	-
2030	May 1, 2029	0.0%	5,200,000	0.37	859,331	(1,911,526)	2,310,035	(4,721,422)	6,806,579	-

Projection Summary

Option A: Rates track beginning November 1st, 2025

Fiscal Year	Date of Implementation	Projected Rate	Total Capital Program	Debt Coverage Ratio	Payment In Lieu of Taxes	Projected Operating Income	Optimal Operating Income	Projected Cash Balances	Recommended Minimum Cash	Bond Issues (20Yr @ 4%)
2026	Nov. 1, 2025	4.0%	\$5,432,870	5.03	\$ 758,646	\$ 216,647	\$1,117,020	\$ 18,545,183	\$ 6,046,315	\$ 18,000,000
2027	May 1, 2026	4.0%	12,912,259	2.04	785,198	529,422	2,066,196	7,009,739	5,711,449	-
2028	May 1, 2027	4.0%	1,500,000	2.45	814,241	960,352	2,092,115	7,432,697	6,573,580	-
2029	May 1, 2028	4.0%	1,500,000	3.03	840,783	1,666,280	2,118,823	8,627,928	6,652,428	-
2030	May 1, 2029	4.0%	5,200,000	3.66	859,331	2,335,675	2,310,035	6,944,482	6,806,579	-

Option B: Rate track beginning May 1st, 2026

Fiscal Year	Date of Implementation	Projected Rate	Total Capital Program	Debt Coverage Ratio	Payment In Lieu of Taxes	Projected Operating Income	Optimal Operating Income	Projected Cash Balances	Recommended Minimum Cash	Bond Issues (20Yr @ 4%)
2026	Nov. 1, 2025	0.0%	\$5,432,870	3.83	\$ 758,646	\$ (214,213)	\$1,117,020	\$ 18,114,323	\$ 6,046,315	\$ 18,000,000

Projection Target #1

Debt Coverage Ratio – current rates)

Description	Projected 2026
Debt Coverage Ratio	
Net Income	\$ (421,313)
Add Depreciation/Amortization Expense	1,441,784
Add Interest Expense	360,000
Cash Generated from Operations	\$ 1,380,472
Debt Principal and Interest	\$ 360,000
Projected Debt Coverage Ratio	3.83
Minimum Debt Coverage Ratio	1.4

Projection Target #2

(Minimum Cash Reserve – current rates)

Description	Projected 2026
Minimum Cash Reserve Levels Determinants	
Operation & Maintenance Less Depreciation Expense	\$ 6,166,388
Purchase Power Expense	13,734,842
Historical Rate Base	65,542,697
Current Portion of Debt Service Payment	360,000
Five Year Capital Improvements - Net of bond proceeds	8,545,129
% Plant Depreciated	56%
Calculated Minimum Cash Level	
Operation & Maintenance Less Depreciation Expense	\$ 760,240
Purchase Power Expense	1,311,969
Historical Rate Base	1,966,281
Current Portion of Debt Service Reserve	298,800
Five Year Capital Improvements - Net of bond proceeds	1,709,026
Minimum Cash Reserve Levels	\$ 6,046,315
Projected Cash Reserves	\$ 18,114,323

Projection Target #3

(Optimal Operating Income – under current rates)

Description	Projected 2026
Optimal Operating Income Determinants	
Net Book Value/Working Capital	\$ 28,688,996
Outstanding Principal on Debt	18,000,000
System Equity	\$ 10,688,996
Debt:Equity Ratio	63%
Optimal Operating Income Allocation	
Interest on Debt	2.00%
System Equity	7.08%
Optimal Operating Income	
Interest on Debt	\$ 360,000
System Equity	757,020
Optimal Operating Income	\$ 1,117,020
Projected Operating Income	\$ (214,213)
Rate of Return in %	3.9%

Optimal Operating Income

- Difference between revenue collected and expenses incurred
- Ensures current customers are paying their fair share for use of system and not deferring the charge to future generations
- Funds interest expense on debt and inflationary increase on historical investment of system

Cost of Service Summary

(results from 2024 ECOS presented May 7, 2024)

2024 Cost of Service Summary

Customer Class	Cost of Service	Projected Revenues	Effective % Change
Residential	\$ 6,929,025	\$ 6,398,051	8.3%
Commercial	1,498,843	1,391,498	7.7%
Village Service	1,308,291	1,115,739	17.3%
Street Lighting	500,243	-	
Security Lighting	120,552	96,360	25.1%
Industrial	12,199,984	10,442,988	16.8%
Total	\$ 22,556,939	\$ 19,444,636	16.0%

2024 Customer Charge Summary

Customer Class	COS Customer Charge	Current Average Customer
Residential	\$ 18.64	\$ 14.90
Residential - All Electric	18.65	14.90
Commercial	32.14	28.50
Village Service	39.33	33.50
Industrial	162.24	130.00

Summary of Results

Guidance from Council

2025 Revenue rate adjustment options

1. Adjust revenue to meet optional rate track
2. Adjust monthly charges towards latest cost of service results
3. Example rate changes provided in next slides

AGENDA ITEM

ITEM: Engineering Agreement for the Engineering and Design of the Prospect Substation Feeder Exits with BHMG Engineers, Inc. in the amount of \$263,000.00	DEPARTMENT: Public Works														
DATE: July 1, 2025	AMOUNT: \$263,000.00														
ATTACHMENTS: 1. BHMG Engineers, Inc - Engineering Agreement	ADMINISTRATIVE NOTES:														
SUMMARY HIGHLIGHTS: This Agenda Item provides for an Engineering Agreement with BHMG Engineers, Inc. in the amount of \$263,000.00 for the line project design and engineering of the new Prospect Substation feeder entry and feeder exits. The feeder entry and exit lines are necessary to provide power to (69kV incoming feeds) and to distribute power out of (13.8kV outgoing feeds) the new substation. The new Prospect Substation is currently in the engineering and procurement stage, and this project will be engineered and constructed in parallel with the substation project. To design, assist in procurement, and standard construction support for the proposed 69kv Prospect Substation Upgrades. Prospect Substation has required that all long lead time items be approved and ordered, so when construction begins, all items are on site. The Board has previously approved purchases of the transformers and switchgear. This agenda item is for the design and bid of the line feeders. Future Agenda items will include the purchase of the line feeders. Prospect Substation Estimate of Cost: <table> <tr> <td>\$2,347,422.00</td> <td>Switchgear - 12/01/26 Delivery</td> </tr> <tr> <td>5,896,930.50</td> <td>Transformers - 08/24/26 Delivery</td> </tr> <tr> <td>1,500,000.00</td> <td>Line Feeders</td> </tr> <tr> <td>1,260,400.00</td> <td>Engineering</td> </tr> <tr> <td>404,403.00</td> <td>Construction Engineering</td> </tr> <tr> <td><u>5,604,219.50</u></td> <td><u>Construction</u></td> </tr> <tr> <td>\$17,013,375.00</td> <td>Total</td> </tr> </table>		\$2,347,422.00	Switchgear - 12/01/26 Delivery	5,896,930.50	Transformers - 08/24/26 Delivery	1,500,000.00	Line Feeders	1,260,400.00	Engineering	404,403.00	Construction Engineering	<u>5,604,219.50</u>	<u>Construction</u>	\$17,013,375.00	Total

This purchase was included in the Fiscal Year 2026 Reserves Budget, Account 541-1180-430.75-70.

RECOMMENDED ACTION: Authorize the approval for an engineering agreement with BHMG Engineers, Inc. in the amount of \$263,000.00 for the line project design and engineering of the new Prospect Substation feeder entry and feeder exits.

Ref: Cost Proposal for Prospect Substation Feeder Exits

Dear Mr. Jake McCoy,

Thank you again for coming to BHMg for a proposal on the engineering and design work on the Prospect Substation Feeder Exits. The project scope is detailed in Appendix A and includes design considerations, submittal requirements, project contacts, roles/responsibilities, and clarifications.

BHMg will provide engineering and design services to support all work required by the project, as stated in the provided scoping document. See 'Table 1' below for proposed project costs. Construction Support & Administration can be provided at T&E.

Table 1: Consultant Design Cost Proposal

Description	Cost
Engineering Services	\$ 292,000.00
Project Fixed Fee / Lump Sum Total	\$ 292,000.00
Scoping PO #1 (050702)	\$ - 29,000.00
Requested PO Amount	\$ 263,000.00

The following appendices are included for additional information:

- Appendix A: Detailed Project Scope

BHMg appreciates this opportunity to provide Rantoul with these services. Should any questions arise, please contact me at your convenience.

Sincerely,

Chris Couch
Project Manager

Empowering teams that develop successful relationships for the future.

Appendix A – Scope Document

Prospect Substation Feeder Exits

Village of Rantoul, IL

Rev. 00
June 25, 2025

A. GENERAL DESCRIPTION

This line project is for the design and engineering of the new Prospect Substation feeder entry and feeder exits. The feeder entry and exit lines are necessary to provide power to (69kV incoming feeds) and to distribute power out of (13.8kV outgoing feeds) the new substation. The new Prospect Substation is currently in the engineering and procurement stage and this project will be engineered and constructed in parallel with the substation project.

B. DETAILED WORK DESCRIPTION

a. Line Design

i. 69kV Incoming Feeder Entry (Overhead)

1. Design for (2) new 69kV switch structures
 - a. 1200A, 69kV, Gang Operated and Load Breaking
2. Design for (2) new tap poles for incoming drops into new substation
 - a. Design for (1) structure to be a terminal deadend
 - i. Civil (foundation) design by Hanson, Inc.
 - ii. Structure (line) design by BHM&G Engineers

ii. 13.8kV Feeder Exits (Underground – (8) Total)

1. Physical: routing of underground conduit, manholes, and vaults to exit the new Prospect Substation from 13.8kV unit switchgear to their individual termination points.
2. Electrical: Specify cable, terminations, splices, and all required equipment to make a complete system from the the 13.8kV unit switchgear to the tie or termination point.
 - a. All feeder exit cable proposed to be 750 Aluminum
 - b. Termination proposed to be 15kV 600A class
3. Feeder Details: Tie the new feeder exits to existing prospect feeders to serve existing and future loads as detailed below.
 - a. Feeder 801 – Tie into existing Feeder 801 at existing junction box located south of existing Prospect Substation
 - b. Feeder 802 (Rantoul Foods) – Tie into existing Feeder 802 at existing S&C switchgear located south of existing Prospect Substation
 - c. Feeder 803 – Tie into existing Feeder 801 at existing junction box located south of existing Prospect Substation
 - d. Feeder 804 (Generators) – Tie into existing Feeder 804 at existing S&C switchgear inside of the existing Prospect Substation

Appendix A – Scope Document

Prospect Substation Feeder Exits

Village of Rantoul, IL

Rev. 00

June 25, 2025

- e. Feeder 805 – Tie into existing Feeder 805 at existing overhead distribution line north of substation via terminal riser.
 - f. Feeder 807 (Spare) – Exit substation with conduit only and terminate conduit in vault located on west side of new Prospect Substation.
 - g. Feeder 808 (Spare) – Exit substation with conduit only and terminate conduit in vault located on west side of new Prospect Substation.
4. Express Tie Circuit to Industrial Sub – Feeder 806
- a. Physical (line): routing conduit and cable for Feeder 806 following existing overhead and easements to Industrial Substation. Install junction boxes as required along the cable route, including one immediately outside of the substation for future access.
 - i. City of Rantoul desires to utilize 750 cable on hand. Exact cable spec to be clarified
 - ii. Design will include comm conduit between Industrial and Prospect Sub
 - b. Physical (sub): Design cable riser with gang operated switch and termination to existing bus.
 - c. Electrical: Specify cable, terminations, switches, and all required equipment to complete tie.
 - d. Protection: Line will be protected by the new Prospect substation feeder breaker. Relay protection for that breaker is included with the separate substation project. Breaker to provide cable protection and coordination w/ Industrial substation breakers.
 - i. No changes to relays at Industrial substation are expected. If BHM&G discovers that changes to Industrial sub relay settings will improve coordination, it will be brought to the attention of the client. Changes to Industrial substation relays are out of scope for this project as well as any drawing updates to the Industrial Substation.
 - e. Control: Tie will be via manual switching operations. Normally open switch will be at Industrial end.
- iii. Station Service
- 1. Design of overhead transformer, conduit, and cable to serve the new Prospect Substation station service. Location of transformer and distribution panel by substation engineering.
- iv. Comms (Fiber)
- 1. Provide conduit for entry of fiber from pullbox outside of station to unit switchgear.

Appendix A – Scope Document

Prospect Substation Feeder Exits

Village of Rantoul, IL

Rev. 00
June 25, 2025

2. Provide conduit from overhead

b. Project Management

- i. Project status meetings
- ii. Lifecycle project schedule management
- iii. Overall project management
- iv. Procurement Support
- v. Plan room for public bidding
- vi. Contract management for procurement and installation services (T&E after IFC)
- vii. Construction admin for project (T&E)

c. Surveying, Staking, and Geotechnical

- i. Surveying prior to design will be subcontracted to Hanson, Inc. Topographic, SUE (subsurface utilities), and LiDAR data will be collected. Boundary work for the site has been previously completed by Hanson, Inc.
- ii. Stakeout of proposed facilities will be performed by Hanson, Inc. BHM to provide stakeout coordinates
- iii. Soil borings previously completed at the site for the substation design project will be utilized for any foundation design

C. MAJOR EQUIPMENT TO BE REMOVED

a. NA

D. ROLES & RESPONSIBILITIES

a. Rantoul Responsibilities

- i. All detailed engineering reviews to include but not limited to:
 - 1. PRLM/30%
 - 2. IFR/75%
 - 3. Material procurement
 - 4. Pre-IFB
 - 5. IFB
 - 6. IFC
- ii. Review design packages in a timely manner that conforms to project schedule. Provide comments on design package within ten (10) working days of submittal.
- iii. Field construction management by owner or separate contract.
- iv. New easements (if required)
- v. The village of Rantoul shall be responsible for any railroad permit application fees.

b. BHM Responsibilities

- i. Project Management
 - 1. Prepare Project Scope Document.
 - 2. Develop and Maintain Project Schedule.

Appendix A – Scope Document

Prospect Substation Feeder Exits
Village of Rantoul, IL

Rev. 00
June 25, 2025

3. Attend pre-bid meeting
4. Review and recommend preferred bidder
5. Contract document preparation
6. Pre-construction meeting
- ii. Engineering / Design
 1. Prepare design criteria
 2. Perform necessary survey work
 3. Prepare IFR review package
 4. Prepare IFB drawing package
 5. Prepare IFC drawing package
 6. Provide relay settings and supporting documentation
 7. Provide onsite visits to resolve technical issues
 - a. Two (2) visits w/ two (2) personnel
 8. Prepare and submit final as-built drawings
- iii. Deliverables
 1. PRLM/30% (Preliminary) Design Package - PRLM submittal will be used for scope true up and to finalize routes.
 - a. Overview (aerial map with physical routing).
 - b. Existing & proposed one line diagram
 - c. KMZ (google earth file)
 2. IFR/75% (Issued for Review) Design Package
 - a. Line Plan View Construction Drawings with line routing and equipment locations. Detailed assembly and material callouts. Construction drawings include updated one-line diagrams and overview
 3. IFB/90% (Issued for Bid) Design Package
 - a. Line Plan View Construction Drawings with line routing and equipment locations. Detailed assembly and material callouts. All IFR comments incorporated.
 - b. Assembly/Framing (Detail) Drawings
 - c. Bill of Material
 4. IFC/100% (Issued for Construction) Design Package
 - a. Line Final Plan View Construction Drawings with line routing and equipment locations. Detailed assembly and material callouts. All IFB comments incorporated.
 - b. Final Assembly/Framing (Detail) Drawings
 - c. Final Bill of Material.
 - d. Stakeout Coordinates

Appendix A – Scope Document

Prospect Substation Feeder Exits
Village of Rantoul, IL

Rev. 00
June 25, 2025

- iv. Material Procurement / Bid Solicitation
 - 1. Labor Installation Bid
 - a. Prepare and manage sealed bids
 - 2. Manage material RFQs
 - a. Review vendor drawings
- v. Construction Support (T&E after IFC)
 - 1. Provide construction supervision support
- vi. Construction Administration (T&E after IFC)
 - 1. Construction management by city.
 - 2. Contract Management for Installation Contract
 - 3. Field commissioning support to 3rd party tester
 - 4. Hosting Pre-Bid, Pre-Construction, and biweekly construction update calls.
 - 5. Remote (phone, virtual meetings, etc.) design support during construction.
 - 6. Field visits during construction, at Rantoul's or Contractor's request.
 - 7. Final walkdown of completed project.
- vii. Record Drawings
 - 1. Provide final record drawings of electrical installation including any field changes or contractor mark-ups.
- viii. Real Estate
 - 1. Proposed facilities not on the substation property will be routed in existing easements when feasible and approved by Rantoul Public Works.
 - 2. New easements, if required, shall be the responsibility of Rantoul Public Works or their agents.
- ix. Permitting
 - 1. Railroad is the only identified permit required for the feeder exit project. Notice and approval from the railroad authority *may* be required for the new 69kV structures. BHM&G shall be responsible for any exhibits, forms, or design information the railroad requires and submitting the permit application. The village of Rantoul shall be responsible for any permit application fees.

E. CRITICAL DATES – These are tentative dates and are subject to change.

AGENDA ITEM

ITEM: Purchase of a Replacement Dump Truck for the Public Works Street & Systems Division from JX Truck Center in the amount of \$179,091.15, with a \$10,000.00 Contingency Fund	DEPARTMENT: Public Works
DATE: July 1, 2025	AMOUNT: \$179,091.15 JX Truck Center Quote <u>10,000.00 Contingency Fund</u> \$189,091.15 Total
ATTACHMENTS: 1. Bid Tabulation Summary 2. Truck Photos 3. JX Truck Center Quote 4. CIT Trucks Quote - Kenworth 5. CIT Trucks Quote - Volvo	ADMINISTRATIVE NOTES:
SUMMARY HIGHLIGHTS: This Agenda Item provides for the purchase of a replacement dump truck in the PW Street & Systems Division. The truck going out of service is a 1991 that is in poor condition. See the attached pictures. The proposed new vehicle will be used for hauling materials including brush and chippings. The existing vehicle will be sold through an auction website. Three quotes were received and the lowest response, Sourcewell approved vendor, proposal was provided by JX Truck Center in the amount of \$179,091.15. The quote included a 2026 Peterbilt truck chassis, Higgs Welding, LLC stainless steel dump bed, and lights. A contingency fund of \$10,000 is requested for any truck bed modifications and increasing commodity prices. Funds were established in the Fiscal Year 2026 Budget for Street & Systems Division vehicle replacements, Account 604-1175-430.75-40	

RECOMMENDED ACTION: Authorize the purchase of a replacement dump truck in the Street Division from JX Truck Center in the amount of \$179,091.15 with a contingency fund of \$10,000.00 for any unforeseen requirements.

Base Model				
0005481	S	Model 548 The Model 548 meets and exceeds the demands of Class 8 specialty application markets that require a rugged workhorse for durability and a wide range of optional content. The Model 548 is available in configurations with a GVW from 33,001 to 66,000 lbs. to suit most vocational applications. The 548 also offers all-wheel-drive. From construction and crane service to utility and delivery services in Class 8 markets, the 548 is in a class of its own.	124,529	10,860
0091200	S	Other Commodity	0	0
0093070	O	Construction/Block Truck or tractor used in the construction industry. Use typically involves operating on the job site, delivering construction materials, or to position equipment (crane) for its intended use at the construction site. Includes such activities as water tanker and delivery of precast concrete, bricks, blocks, and bag cement.	0	0
0095020	O	Flatbed	0	0

QUOTE INFORMATION

CIT20250000245052D
VHD64B300 Daycab - 113.6" BBC
Qty: 1

This proposal outlines the complete vehicle specification and performance details that have been customized to drive greater success for you and your business operations. The enclosed spec represents a solution that optimizes fuel efficiency, enhances driver productivity, provides peace of mind through our industry-leading active and passive safety features – all while ensuring your uptime to ultimately support your customers.

By partnering with your dealer and Volvo Trucks, you will benefit from innovative technologies that are incorporated in everything we do – from our powertrain components to connectivity solutions. We take our role as your business partner very seriously and appreciate the opportunity to support you with products and services that we hope will exceed your expectations. Our mission is to provide you with trucks and solutions that you can count on to help you be more successful and that you will be proud to own and operate.

Our responsibility doesn't stop when we hand over the keys. In fact, this is just the beginning of a great and close partnership. Just as you work hard to deliver to your customers, we will work hard to deliver on our promises to you.

As you review this proposal, please note any questions you may have so we can discuss them together. We hope you feel comfortable placing your trust in us, and look forward to doing business with you!

Sincerely,

BRANDON BODINE

Village of Rantoul
Mr. Mike Esslinger
333 S. Tanner Street
Rantoul, IL 61866

Dear Mr. Esslinger,

Below please find our quote to install a Dura Class Dump Bed, Lights, Central Hydraulic System, on to your truck. I have included an option to upgrade the Sides, Front and Tailgate from Hi-Ten steel to AR-450 steel.

Dura Class HPT 316 Crossmemberless Dump Bed 16' Long 7' Wide
1/4" AR-450 Floor; 3/16" and AR-400 Tailgate, Sides and Front
24" Sides/56" Front/30" Tailgate
AR-450 Steel Floor with Tensile Strength of 180,000 psi
Air Tailgate Control with Push-Pull Control
Double Acting Tailgate Chain with Chain Hooks
Body Raise Indicator Light
Body Prop
Cougar 3200 Electric Bed Vibrator
Full Boxed Top Rail with Board Brackets - No Boards Included
53-120 Hoist Class 80; 25.6 Ton Capacity; Power Up Power Down
Bed Primed and Painted with an Acrylic Urethane Paint 2 Coats
Interior of Bed Painted Black
1/2 Cab Shield
Minimizer Poly 1/4 Fenders in Front of Rear Duals
Rear Mud Flaps
Backup Alarm
21" Ladder Drivers Side
Grab Handle Drivers Side
Recommended Cab to Axle Measurement for Tandem Axle Truck is 138"
Central Hydraulic System
Hotshift PTO Driven Hydraulic Pump with Off/On Control
Morse Cable Controls Mounted on Console
Double Acting Hoist Power Up/Power Down
20 Gallon Reservoir with In-Tank Filter, Sight/Temperature Gauge
Light System
Switches Provided by Truck Manufacturer
Light Bar Mounted Above Cab
Feniex Quantum 2.0 14" Light Bar Mounted on Light Bar
Pair of LED Stop/Tail/Turn Lights with Integrated Backup and Strobe Light
Feniex AI Cube LED Flood Lights Mounted on Light bar
Rear Junction Box
Rear Hitch
1" Thick Rear Plate Hitch
25 Ton Pintle Hitch

7 Pin Electrical Connector
License Plate Light

Price Installed FOB Danville Illinois

\$49,627.02

Due to the uncertainty of steel prices, we reserve the right to adjust our quote after 30 days. If a tax exempt organization, the official signing the sales order certifies that the truck purchase is for the sole and exclusive use of the tax exempt organization. Due to recent Federal Emission Standards, Rahn Equipment Company will not be responsible for any chassis that requires exhaust modifications. If you have any additional questions or wish to go ahead, please call and we will be happy to help you.

Respectfully,

A handwritten signature in black ink, appearing to read "Chris Rahn", with a long horizontal flourish extending to the right.

Chris Rahn

AGENDA ITEM

ITEM: Purchase of two FLYGT Submersible Pumps for Pump Station #1543 in the amount of \$66,785.51, with a \$10,000.00 Contingency Fund	DEPARTMENT: Public Works
DATE: July 1, 2025	AMOUNT: \$66,785.21 - Vandevanter Engineering <u>\$10,000.00 - Contingency Fund</u> \$76,785.21 - Total
ATTACHMENTS: 1. Vandevanter Engineering Proposal	ADMINISTRATIVE NOTES:
SUMMARY HIGHLIGHTS: This Agenda Item provides for the purchase of two FLYGT submersible pumps at Pump Station #1543. Currently, the Pump station has two Ebara submersible pumps; they are not made for rags and need replaced. They serve the South Point Commons Area, and they have been rebuilt numerous times. Staff has gone out each time that it rains to pull and unclog the pumps. Vandevanter Engineering is the only company that carries the FLYGT Brand that is required to match the existing pumps at Pump Station #1543. Pricing is in the amount of \$66,785.51 for two FLYGT pumps, along with all of the appropriate equipment needed. This is a sole source purchase. A contingency fund in the amount of \$10,000.00 is requested to ensure the process goes smoothly, and to offer flexibility should things change with material costs. This is an unanticipated Fiscal Year 2026 expense that would be funded through the wastewater account 536-1180-430.75-70.	
RECOMMENDED ACTION: Authorize the purchase of two (2) – FLYGT submersible pumps at Pump Station #1543 in the amount of \$66,785.51 and a contingency fund of \$10,000.00.	
DEPARTMENT HEAD APPROVAL Jacob D. McCoy, P.E.	VILLAGE ADMINISTRATOR Scott Eisenhauer

**Proposal # OP-603907
April 29, 2025**

**Mr. Travis Ramme
Village of Rantoul WWTP
1625 E Grove Ave
Rantoul, IL 61866**

RE: RANTOUL IL 1543 SAN SEWAGE PUMP STATION REHAB R1

Dear Travis,

Thank you for the opportunity to present you with a proposal for 1543 San Sewage Lift Station. Based on the Information that we have, we propose the following for your consideration:

TWO (2) – FLYGT Concertor Model NX- 6020.181 Submersible Pump, 4 Inch MT/HC, 380-480 Volt, Three Phase, 10 Max Horsepower, with FLS Switch, and 50' Submersible Cable with Wet Well P-Installation kits 4" MT,CI

TWO (2) – Mini Cas Relays, and Sockets

TWO (2) – 4x4 Discharge Connection

TWO (2) – UGBB 2"

FOUR (4) – 20' Guide Pipe 2"

TWO (2) – 4x8" Ecc. Reducer

TWO (2) – SS Plates

ONE (1) LOT – COGENT Mechanical Field Crew Labor, at Prevailing Wages, 4 in and 8 in piping materials to perform a confined space entry to remove the pumps and the pipe from the wet well at one time and install the items above as necessary. The existing pipe will be reused and reinstalled, but will be replacing guide pipes, upper guidebar brackets, and stand from the pump station. Once completed, test operation of all after the install have been completed.

PRICE FOR PUMP, PARTS AND LABOR LISTED ABOVE.....\$66,785.51

Proposal # OP-603907

Page -2-

NOTE: The Price above is based on not having to pour new floor at bottom of station. If concrete floor is needed, extra time will be billed out. Customer will be responsible for providing Vactor Truck to clean station while we are on site. Customer is responsible for disposal of material that is removed from this project.

F.O.B. Factory – Freight will be added to the Total Above.

TERMS: See attached Terms and Conditions – Please SIGN and SEND BACK Page 3 along with proposal if you decide to proceed with this order.

If, after reviewing the above proposal, you have any further questions or comments regarding this proposal, please feel free to contact Mike Rynd at (314) 402-3642, or Jack Kemper at 314-913-3342. If the proposal meets with your approval, please sign, date and mail or fax a copy back to our office and we will order your equipment. Installation and Start Up of this equipment will be Scheduled on your request once the Equipment has been Installed.

Thank you for the opportunity to furnish this proposal to the RANTOUL WASTE WATER TREATMENT PLANT. If we can be of further assistance to you on this or future projects, please let us know.

Sincerely,

VANDEVANTER ENGINEERING CO.

STANDARD TERMS AND CONDITIONS

1. DEFINITIONS. "Company" means Cogent, Inc., including any of Company's applicable trade names associated with the specific Proposal or specific Agreement. "Customer" means Company's customer for the specific Proposal or Agreement. "Proposal" means Company's proposal, estimate, quotation or sales form, including any terms expressly incorporated by reference, and these Terms and Conditions. "Agreement" means the terms of the final agreement entered into by and between Company and Customer relating to the purchase or rental of specific goods, equipment or services, and these Terms and Conditions.

2. CONFLICT OF TERMS AND INTEGRATION: Company's Proposal is expressly conditioned upon Customer's acceptance of these Terms and Conditions. Any additional or different terms and conditions included in Customer's purchase order, or other documents or communications, shall have no application or effect on the Agreement, unless specifically agreed to by Company in writing. Company's commencement of performance or delivery of goods and/or equipment shall not be deemed or construed as an acceptance of Customer's additional or different terms and conditions. The terms set forth in the Agreement supersede all prior negotiations, representations or agreements, either written or oral between the parties, and can only be modified or amended with the express written consent of Company.

3. PROPOSAL, WITHDRAWAL AND EXPIRATION. If the price is included in a Proposal, the price is firm for receipt of an order within 15 days of the date shown on the Proposal. Company reserves the right to cancel a Proposal at any time prior to receiving the acceptance in writing of the Proposal by Customer.

4. PRICING. The final price in the Agreement must be accepted by Company in writing. Unless expressly agreed to by Company in writing, the price does not include: (i) any freight charges; (ii) any applicable duties, tariffs or sales tax, use tax, excise tax, value-added or other similar taxes that may apply to the goods, equipment, services and/or project, up to the final shipment date to Customer; and (iii) manual or automatic controls, starters, protective or signal devices, wiring, anchor bolts, gauges, vibration isolation devices, installation, startup or testing.

5. PAYMENT TERMS. Payment is due upon receipt of the invoice. An interest charge of 1-1/2% per month will be added to past due balances, starting on the sixteenth (16) day after the invoice date. Retainage of any invoiced amount is unacceptable unless specifically

agreed to by Company in writing at the time of the Agreement, and shall in no case exceed a period of 120 days. Payment of "commercial transaction" invoices by credit card will be charged a fee based upon Company's average discount rate for credit card transactions. Company reserves the right to require Customer make payment in advance, or C.O.D., or otherwise modify Company's credit terms if Customer's credit standing or scores are found to be not acceptable to Company. If payments are not timely received by Company, and this account is turned over to an attorney for collections, Customer agrees to pay all reasonable costs and attorney fees incurred in collection of the past due amounts.

6. FINANCIAL INSECURITY ISSUES. If at any time prior to receipt of payment in full by Company of the Agreement, Company receives information on Customer's financial responsibility or condition that causes Company to become insecure of Customer's ability to perform under the terms of the Agreement, including but not limited to Customer's failure to fulfill any other contractual obligations to Company, Company may take the following actions: (a) request further financial assurances, or collateral, from Customer; (b) suspend Company's performance under the Agreement; (c) defer or decline to deliver any goods or equipment, or services, under the Agreement; (d) stop delivery of goods or equipment in transit, and/or stop rendering services under the Agreement; and/or (e) terminate the Agreement as allowed under the Terms and Conditions. If Customer provides satisfactory financial assurances to Company as requested, including but not limited to payments in advance or other security acceptable to Company, then Company shall continue with its performance under the Agreement. Customer grants to Company a continuing security interest in and a lien upon the goods and/or equipment supplied by or through Company under the Agreement and the proceeds thereof (including insurance proceeds), as security for the payment in full and the performance by Customer of all of its obligations to Company under the Agreement, as well as any other Agreement between the parties. Customer shall execute a financing statement and any other documents needed by Company to enforce this security interest and lien, upon request by Company. For goods and/or equipment purchased by Customer for Customer's own use, Customer shall have no right to sell, encumber or otherwise dispose of those goods and/or equipment until Company has received payment in full of all amounts owed by Customer under the express terms of the Agreement.

7. TITLE, DELIVERY AND RISK OF LOSS. Unless other terms are expressly agreed to in writing by Company, for goods and/or equipment that are shipped

April 2025

from a Company facility or warehouse, those shipments are FOB Company's shipping point, at which point title transfers to Customer. For goods and/or equipment that are shipped from a manufacturer or distributor, those shipments are FOB manufacturer's or distributor's warehouse or factory shipping point as applicable, at which point title transfers to Customer. Delivery dates are estimates, and time is not of the essence.

8. EXPORT OF GOODS AND/OR EQUIPMENT. Goods and/or equipment sold by Company to Customer may be subject to applicable export laws and regulations, including the United States Export Administration Regulations. If any goods and/or equipment acquired by Customer is or are exported, Customer agrees to comply with all such applicable laws and regulations. In particular, Customer shall not, and will not permit any third parties to, directly or indirectly, export, re-export or release any goods and/or equipment to any country or jurisdiction to which, or to any party to whom, the export or release of any goods and/or equipment is prohibited by applicable law, regulation or rule. As between Company and Customer, Customer shall be responsible for any breach of any export law, regulation or rule. For export shipments from the United States, delivery to Customer of the goods and/or equipment will pass from Company to Customer, as well as title to the goods and/or equipment, absolutely no later than when the goods and/or equipment are delivered to the shipping port, so that Customer shall be the exporter of the goods and/or equipment.

9. CUSTOMER DELAY OF DELIVERY. If Customer requests Company to delay delivery of any goods and/or equipment included in the Agreement, the requested delay, if agreed to by Company in writing, shall solely effect the delivery date of the goods and/or equipment. Company reserves the right to issue an invoice for the goods and/or equipment as of the originally scheduled, or the first available, delivery date. If Company is required to store or warehouse any goods and/or equipment on behalf of Customer due to the delayed delivery date, any storage and/or warehouse costs and fees will be charged to Customer and payable by Customer to Company upon receipt of an invoice, as well as the costs of any required maintenance of the goods and equipment throughout the period of delay.

10. CUSTOMER CANCELLATION. Customer possesses no right to cancel special or made-to-order goods and/or equipment, unless first requested by Customer in writing to Company, and accepted by Company in a written response to Customer. If any request to cancel is made by Customer, and accepted by Company, Company may issue an invoice to Customer

which will include all costs and expenses incurred by Company prior to accepting the cancellation request, including any labor costs and overhead incurred or expended by Company. Goods and/or equipment from a cancelled Agreement, returned to a manufacturer or other source of the goods and/or equipment, shall be returned at Customer's costs, including any delivery and/or restocking charges.

11. INSPECTION OBLIGATIONS. Customer shall inspect the goods and/or equipment upon receipt. When delivery of the goods and/or equipment are to a project site, Customer will notify Company in writing within three (3) days of delivery of the goods and/or equipment, of any apparent shipment shortages, or damages or nonconformity of the goods and/or equipment. For all other deliveries of goods and/or equipment, Customer shall notify Company in writing within ten (10) days of delivery of the goods and/or equipment, of any apparent shipment shortages, or damages or nonconformity of the goods and/or equipment. Failure of Customer to timely deliver the written notice to Company shall constitute a waiver by Customer to claim any shortages in the goods and/or equipment delivered, and to claim any damages to, or nonconformity of the goods and/or equipment delivered to Customer. Customer shall make any claim for loss of or damage to goods and/or equipment while in transit, to the carrier, unless different terms are expressly set forth in the Agreement of the parties.

12. NEW GOODS WARRANTY. For all new goods and/or equipment, Company will pass through to Customer any warranty provided by the manufacturer of any goods and/or equipment supplied by Company. None of the warranties received by Customer shall become effective until such time that Customer has paid Company in full for the goods and/or equipment.

THE MANUFACTURER'S WARRANTY IS THE EXCLUSIVE WARRANTY PROVIDED CUSTOMER. COMPANY PROVIDES NO OTHER WARRANTIES OR GUARANTEES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY AS TO MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, UNLESS THE SAME IS SPECIFICALLY SET FORTH IN WRITING AND ACCEPTED IN WRITING BY COMPANY.

13. USED GOODS AND EQUIPMENT. Used goods or equipment sold by Company are sold in an as-is and where is condition. Unless stated in the Agreement by Company, Company makes no representations or warranties of any kind, express or implied, as to the nature, quality or condition of the used goods or equipment, or its suitability for any use, including without

limitation any warranty of merchantability or fitness for a particular purpose, unless expressly agreed to in writing between Company and Customer. Company shall have no liability to Customer in connection with the sale of the used goods and equipment, including without limitation, for loss of profit, loss of income, loss of production, loss of opportunity, or indirect, consequential, incidental, punitive or exemplary damages arising out of or related to Company's sale of used goods or equipment to Customer.

14. INSTALLATION AND STARTUP. Unless otherwise agreed to in writing by Company, installation of the purchased goods and/or equipment shall be the responsibility of Customer. If the manufacturer of any goods or equipment supplied by Company to Customer requires that a representative of the manufacturer be present for the start up of the goods and/or equipment, and Company is designated as the authorized representative for the manufacturer for the start up of the goods and/or equipment, Customer shall provide a minimum of fourteen (14) calendar days notice to Company of the scheduled start up. If, under the stated circumstances, the start up of the goods and/or equipment occurs without Company or some other manufacturer's representative being present, the manufacturer's warranty might be voided, or its coverage limited by that action. For goods or equipment repaired by Company for Customer, if Company requires a Company representative to be present for the start up of the repaired goods and/or equipment, the same fourteen (14) calendar days notice to Company is required. If the goods and/or equipment are started without a Company representative being present, the same limitation or voiding of any applicable warranties can occur.

15. BANKRUPTCY, RECEIVERSHIP, ASSIGNMENT FOR BENEFIT OF CREDITORS, DEFAULT. If voluntary or involuntary Bankruptcy proceedings are commenced against Customer, or similar proceedings such as a receivership or any other insolvency proceedings, or if Customer makes an assignment for the benefit of its creditors, Company may provide written notice to Customer of Company's immediate termination and cancellation of the Agreement. If Customer is in material default of the Agreement, including but not limited to Customer's failure to make any payment when due to Company, then Company can deliver a written notice to Customer of such default and provide notice of a five (5) day right to cure the default. If Customer fails to cure the default within the five (5) day period, or begin commencement of the cure and continue to work diligently on the cure within the five (5) day period, Company has the right to terminate any further performance of its obligations under the Agreement, without prejudice to any other rights and

remedies the Company might have under the Agreement and applicable law. If the Agreement is terminated, the rights, obligations and liabilities of the parties that accrued prior to the termination of the Agreement shall survive the termination.

16. LIMITATION OF LIABILITIES. Except as otherwise provided by applicable law, in no event will Company's liability exceed the amount paid by Customer to Company under the Agreement. In no event shall Company's obligations and liabilities under this Agreement include any indirect, punitive, special, incidental or consequential damages or losses that Customer may suffer or incur in connection with this sale, service or rental, including, but not limited to, loss of revenue or profits, damages or losses as a result of Customer's inability to operate, perform its obligations to third persons or injuries to goodwill. Nor shall Company's liability extend to damages or losses Customer may suffer or incur as a result of such claims, suits or other proceedings made or instituted against Customer by third parties. Customer remises, releases and discharges Company from any and all liability or damages which might be caused by failure to deliver any equipment within the agreed time by Company.

17. INDEMNIFICATION. Customer covenants and agrees to defend, indemnify and hold Company harmless from any claims, damages or liability arising out of the use, maintenance or delivery of the goods and/or equipment purchased or rented from Company. Customer shall further defend, indemnify and hold Company harmless from any and all damages to third persons or to property caused by Customer's use or possession of the goods and/or equipment, to the fullest extent allowable by law.

18. COMPANY DRAWINGS. Any drawings that Company prepares and delivers to Customer shall remain Company's property. If Company provides drawings related to the installation of the goods and/or equipment in Company's Proposal, those drawings depict the general type, arrangement and approximate dimensions of the goods and/or equipment to be furnished by Company, are for Customer's information only, and Company makes no representation or warranty regarding the drawings' accuracy. Unless expressly stated to the contrary in the Proposal, all drawings, illustrations or diagrams form no part of the Agreement.

19. CONFIDENTIAL INFORMATION. Company may provide designs, illustrations, processing equipment, repair specifications, manufacturing information, intellectual property and other non-public information ("Confidential Information") to Customer in either the

Proposal, or the Agreement, or in the performance of the Agreement. Other than for the performance of the Agreement, Customer agrees to not disclose, use or reproduce any Confidential Information without Company's prior written consent. Customer's agreement to not disclose, use or reproduce Confidential Information shall survive completion of Company's obligations under the Agreement, or termination of the Agreement.

20. CUSTOMER WARRANTY. Customer warrants the accuracy of any and all information provided to Company, relating to the details of the relevant operating conditions, including but not limited to influent data, temperatures, pressures and where applicable, the nature of all hazardous materials. Company may justifiably rely upon the accuracy of Customer's information in preparing both the Proposal and the Agreement. If Customer's information is later found to be not accurate, Company shall have no liability to Customer, and/or Customer's customer if any, for any losses, liabilities, damages and expenses of any kind, that arise out of, or relate in any respect, to the inaccurate information provided by Customer to Company, and shall defend and indemnify Company for any claims made against Company based upon such inaccurate information.

21. FORCE MAJEURE. Company may cancel, terminate or suspend its Proposal or the Agreement, and Company shall have no liability to Customer for Company's failure to deliver any goods and/or equipment, or to provide any services to Customer, due to force majeure. Force majeure means any event or circumstances beyond Company's reasonable control, including but not limited to natural disasters, wars, strikes, riots, epidemics, criminal actions, changes in applicable laws and failures of suppliers or transportation. In these situations, Company's time for performance shall be extended in an amount equal to the period of time for Company to recover from the causal event, and shall notify Customer within a reasonable period of time of the expected delay. If the force majeure event impacts the pricing specified in the Proposal or the Agreement, Company shall notify Customer of the revised pricing. If Customer rejects the revised pricing in the Agreement, the parties will resolve the cancellation pursuant to the Customer Cancellation clause.

22. LAW AND VENUE. This agreement shall be governed by the laws of the state where the Company's branch office is located from which the goods and/or equipment is rented or purchased, or services were ordered from Company (without reference to principles of conflicts of laws). Customer further agrees that venue and jurisdiction shall be appropriate in the federal court located in Kansas City, Missouri. This paragraph shall

survive any termination, cancellation or expiration of the Agreement. If any dispute between Company and Customer ends up in litigation or arbitration, the prevailing party is entitled to an award of reasonable attorney's fees and costs.

23. DISASSEMBLY, CLEANING, INSPECTION AND ESTIMATE CHARGE.

The disassembly, cleaning, inspection and estimate charge ("DCI Charge") is the amount that is due from Customer if Customer decides to not repair the unit(s). An invoice for this amount shall automatically be generated for the DCI Charge within ninety (90) days of the date of the Service Estimate if Customer has not authorized the repairs, or at the date that Customer rejects the estimate for the repairs. All units left at Cogent's facility, not repaired, for more than six (6) months, will be scrapped by Cogent without any liability to Customer. Before scrapping or otherwise disposing of the unrepaired unit(s), Cogent shall deliver a final ten (10) day notice to Customer to pick up the unit(s), or the unit(s) will be scrapped or otherwise disposed of by Cogent without any liability, financial or otherwise, to Customer.

24. MISCELLANEOUS. The captions or titles in these Terms and Conditions are for reference only, and shall have no role nor effect in the interpretation or construction of the Proposal or the Agreement, as applicable. Company's failure to insist, on any one or more instances, upon Customer's performance of the Agreement, or to exercise any rights conferred in the Agreement, will not constitute a waiver or relinquishment of such right, or the right to insist upon Customer's performance in any other respect. The partial or complete invalidity of any one or more provisions in these Terms and Conditions, or any other part of the Agreement, shall not affect the validity or continuing force and effect of any other provision. Unless specifically stated otherwise in these Terms and Conditions, Company possesses all other legal and equitable rights that may be found in the applicable law.

ADDITIONAL RENTAL TERMS AND CONDITIONS

1. DEFINITIONS: All Rented Equipment is detailed in the Rental Contract. Rental fees are charged within each 28-day billing cycle. A Rental Day is equal to one calendar day. A Rental Week is equal to seven (7) calendar days. A Rental Month is equal to twenty-eight (28) calendar days. All rental rates ("Scheduled Rates") are outlined in the Rental Contract. The Standby Rate is 75% of the Scheduled Rate. Standby is for a "second" or additional back-up pump to be running only in the event the primary pump cannot operate. If the standby pump operates for any reason other than failure of a primary pump, the Scheduled Rate will apply to the Standby

Pump. For diesel equipment, all Scheduled Rates are based on an up to 8-hour per day shift. If diesel equipment is used for a more than eight (8) hours in a day, the Scheduled Rate for the day shall be charged at 150%. If diesel equipment is used for more than sixteen (16) hours in a day, the Scheduled Rate shall be doubled.

2. BILLING CYCLES. Billing cycles on Rented Equipment are defined as follows: 3-7 Days = 1 Week; 8 Days = 1 Week and 1 Day; 9 Days = 1 Week and 2 Days; 10-14 Days = 2 Weeks; 15 Days = 2 Weeks and 1 Day; 16 Days = 2 Weeks and 2 Days; 17-28 Days = 1 Month. Billing cycles for C.O.D. Customers are defined as follows: 3-7 Days = 1 Week.

3. INSURANCE COVERAGES. Customer is responsible for obtaining property coverage at replacement cost of the Rented Equipment. Company d/b/a Velocity shall be included as a loss payee. General liability coverage shall contain limits of not less than \$1,000,000 per occurrence and \$2,000,000 in the aggregate, a waiver of subrogation and that the insurance is primary and non-contributory to any other available insurance. A copy of the Certificate of Insurance shall be provided to the Customer's contact at Company.

4. ENVIRONMENTAL FEE: Environmental Fee is charged at 1.75% of the Rental Charge for all Rented Equipment.

5. RETURNING RENTED EQUIPMENT. All Rented Equipment shall be returned in as clean as the condition when it was delivered to Customer. If the Rented Equipment is not returned in this manner, a cleaning charge will be added to the final invoice. This cleaning charge will consist of a time and material charge based on the time needed to perform the necessary cleaning, and the required materials

6. OFF RENT CALL CONFIRMATION: For Rented Equipment the Company is picking up, it is the responsibility of Customer to call into the Company's local branch office and obtain an Off Rent - Call Confirmation Number. This call serves as notification that the Rented Equipment is disassembled, properly decontaminated, and staged in one readily-accessible area available for immediate pick-up. Rental and/or labor charges will accrue if the Rented Equipment is not cleaned and staged for removal.

IMPORTANT: Obtaining an Off Rent-Call Confirmation Number does not release Customer from its obligations to safeguard and secure Rented Equipment, including maintaining required Insurance Coverages, while Rented Equipment

remains under Customer's care, custody or control, until the return of all Rented Equipment to Company. Customer shall remain responsible for all loss or damage arising from Customer's failure to safeguard and secure Rented Equipment while awaiting pickup, or until returned by Customer to Company.

7. DIESEL EQUIPMENT MAINTENANCE. All diesel engine driven Rented Equipment requires preventative maintenance every 250 hours of runtime. This is the responsibility of the Customer. Company can provide this service at an additional cost. Overdue maintenance fees will be charged when Rented Equipment is returned without proof of preventative maintenance services. Fees will be charged based upon the number of 250-hour maintenance windows missed during the rental, plus any additional damages which may have been incurred due to lack of proper maintenance of the Rented Equipment.

8. FUELING DIESEL EQUIPMENT. Fuel for diesel engine driven Rented Equipment is not part of this Proposal and/or Agreement and is the responsibility of Customer. An auxiliary fuel tank can be provided for an additional charge.

**BOARD OF TRUSTEES
VILLAGE OF RANTOUL**

AGENDA ITEM

ITEM: Ordinance Amending Chapter 2 "Administration" of the Village Code Adding Article VI "Administrative Adjudication"	DEPARTMENT: Administration
DATE: July 1, 2025	AMOUNT: N/A
ATTACHMENTS: 1. Ordinance - Amending Chapter 2 Adding Article VI - Administrative Adjudication 2. Municipal Administrative Adjudication Policy & Procedures	ADMINISTRATIVE NOTES:
SUMMARY HIGHLIGHTS: With emphasis by the Mayor and Administration to strengthen enforcement activities in the Community, and provide for more effective compliance, this proposal for Municipal Administrative Adjudication is presented. Currently, violations of Village Code are filed and pursued through the Sixth Judicial Circuit Court in Champaign. Under the State Statute, municipalities are permitted to establish an Administrative Adjudication system to file and pursue violations of local Ordinances to expedite the prosecution, and correction of these violations. The proposed Administrative Adjudication system would allow the Village to address Ordinance violations in a more timely fashion, as well as allow for payments of any penalties to be made directly to the Village. A Hearing Officer would conduct an administrative hearing for any alleged Village Code violation, except for traffic regulation offenses and any offenses committed by an individual fifteen years of age or younger. Under the proposed Administrative Adjudication system, the Village would not be prevented from using other lawful methods to enforce the provisions of the Village Code.

ORDINANCE 2800

**AN ORDINANCE
AMENDING CHAPTER II OF THE RANTOUL CODE
ADDING ARTICLE VI, ENTITLED “ADMINISTRATIVE ADJUDICATION”**

**VILLAGE OF RANTOUL
CHAMPAIGN COUNTY, ILLINOIS**

CERTIFICATE OF PUBLICATION

Published in pamphlet form this 8th day of July, 2025, by authority of the President and Board of Trustees of the Village of Rantoul, Champaign County, Illinois.

Village Clerk

ORDINANCE 2800

AN ORDINANCE AMENDING CHAPTER II OF THE RANTOUL CODE ADDING ARTICLE VI, ENTITLED “ADMINISTRATIVE ADJUDICATION”

WHEREAS, the Illinois Municipal Code, 65 ILCS 5/1-2-1, provides that the corporate authorities of each municipality may pass all Ordinances, and make all rules and regulations proper or necessary, to carry into effect the powers granted to municipalities, with such fines or penalties as may be deemed proper; and,

WHEREAS, the Village of Rantoul is a municipal corporation and Home Rule unit of local government pursuant to the Constitution of the State of Illinois of 1970, as amended; and,

WHEREAS, pursuant to Division 2.1 of the Illinois Municipal Code, 65 ILCS 5/1-2.1-1 et seq., the Village is empowered to establish a Code Hearing Unit for the purposes outlined therein, and,

WHEREAS, the corporate authorities of the Village believe that the creation of a Code Hearing Unit would provide the Village with an efficient method for adjudicating alleged Ordinance violations in a manner that is less costly to both the Village and the accused, while providing the necessary due process protections for the accused, and doing so will allow the Village to more efficiently protect the health, safety, and general welfare of its residents; and,

WHEREAS, the corporate authorities of the Village believe that establishing a Code Hearing Unit to adjudicate Ordinance violations within an administrative adjudication process is in the best interests of the Village and its citizens; and,

WHEREAS, the Mayor and Village Board of Trustees desire to establish an Administrative Adjudication system for adjudicating violations of Village Ordinances.

NOW, THEREFORE, BE IT ORDAINED BY THE PRESIDENT AND THE BOARD OF TRUSTEES OF THE VILLAGE OF RANTOUL, ILLINOIS, as follows:

Section 1. Adoption. That Chapter 2, entitled “Administration,” of the Rantoul Code, as supplemented and amended, be and the same is hereby supplemented and amended by adding new Article VI, entitled “Administrative Adjudication” to provide as set forth in the title, headings, and text thereof as attached hereto, and hereby incorporated herein by reference thereto.

Section 2. Effective Date. The provisions of this Ordinance shall become effective following its passage, approval, and publication as required by law.

Section 3. Conflict. All Ordinances or parts of Ordinances which are in conflict with the provisions of this Ordinance are, to the extent of such conflict, hereby repealed.

Section 4. Publication. The Village Clerk is hereby authorized and directed to cause this Ordinance to be published in pamphlet form.

This Ordinance is hereby passed, the “ayes” and “nays” being called, by the concurrence of a majority of the members of the Trustees of the Village then holding office at a regular meeting on the date set forth below.

PASSED this 8th day of July, 2025.

Village Clerk

APPROVED this 8th day of July, 2025.

Village President

ARTICLE VI – Administrative Adjudication

Section. 2-601 Adoption of State Statutes

The Village, pursuant to Article I, Division 2.1 of the Illinois Municipal Code, 65 ILCS 5/1-2.1-1 et seq., hereby establishes a system of administrative adjudication, subject to the limitations of this Article, that provides due process of law, including notice and an opportunity for a hearing for all affected persons. In the event of a conflict between this Article and Article I, Division 2.1 of the Illinois Municipal Code, the Illinois Municipal Code shall prevail.

Section 2-602 Definitions

"ADJUDICATORY HEARING." Any hearing called by the Code Hearing Unit pursuant to this Article.

"COMPLAINT." A written pleading, filed with the Code Hearing Unit by an authorized official of the Village, which alleges a violation of the Village Code.

"DEFAULT." A failure to appear for a scheduled hearing or legal proceeding.

"HEARING OFFICER." An individual appointed by the Mayor, with the approval of the Village Board, whose powers and duties shall include:

- (1) Presiding at all administrative adjudication hearings called to determine whether or not a violation of the Village Code exists;
- (2) Issuing subpoenas directing witnesses to appear and give relevant testimony at adjudicatory hearings, upon the request of the parties or their representatives;
- (3) Hearing testimony and accepting evidence relevant to the existence of an alleged violation of the Village Code;
- (4) Preserving and authenticating the record of adjudicatory hearings, and all exhibits and evidence introduced at such hearings;
- (5) Issuing determinations, based on the evidence presented at adjudicatory hearings, of whether a Village Code violation exists. The determinations shall be in writing, and shall include written findings of fact, decisions, and orders, including fines, penalties, or actions with which respondents must comply; and
- (6) Imposing penalties consistent with the applicable Village Code provisions, and assessing costs upon finding a Respondent liable for a violation, except, however, that in no event shall the Hearing Officer have authority to (i) impose a penalty of incarceration or (ii) impose a fine in excess of \$50,000.00. The maximum monetary fine under this subsection shall be exclusive of the costs of enforcement, or the costs imposed to secure compliance with the applicable Village Codes, and shall not be applicable to cases to enforce the collection of any tax imposed and collected by the Village.

Prior to conducting administrative adjudication proceedings, Hearing Officers shall have successfully completed a formal training program which includes the following:

- (a) Instruction on the rules of procedure of the administrative hearings which they will conduct;
- (b) Orientation to each subject area of Village Code violations which may be adjudicated;
- (c) Observation of administrative hearings;
- (d) Participation in hypothetical cases, including ruling on evidence, and issuing final orders.

In addition, every Hearing Officer must be an attorney licensed to practice law in the State of Illinois for at least three years.

"PRIMA FACIE EVIDENCE." The bare minimum of evidence needed to bring a case before a Hearing Officer.

"PROPERTY OWNER." The legal or beneficial owner of real property.

"RESPONDENT." A person or entity who is accused of a violation.

"VILLAGE CODE." The Code of Ordinances of the Village of Rantoul.

"VILLAGE OFFICIAL." All full-time police officers, as well as any other officer or employee of the Village authorized to enforce the Village Code.

Section 2-603 Code Hearing Unit

(A) There is hereby established a Code Hearing Unit within the Village, the function of which is to exercise the powers conferred in this Article, and conduct adjudicatory hearings pursuant to this Article. The Hearing Officer and such other agents or employees assigned to the Hearing Officer by the Mayor, shall constitute the Code Hearing Unit.

(B) The adoption of this chapter does not preclude the Village from using other lawful methods to enforce the provisions of the Village Code.

Section 2-604 Jurisdiction

(A) An adjudicatory hearing under this Article may be initiated for any alleged Village Code violation, except for an offense that is a traffic regulation governing the movement of vehicles and except for any reportable offenses under Section 6-204 of the Illinois Vehicle Code.

(B) Notwithstanding the above, a complaint alleging a violation of Village Code may not be filed with the Code Hearing Unit if the alleged violation was committed by an individual fifteen years of age or younger.

Section 2-605 Village Code Hearing Procedure

The administrative adjudication of alleged Ordinance violations, pursuant to this article, shall adhere to the following procedures:

(A) Complaint.

- (1) Upon finding an alleged Ordinance violation, a Village Official shall prepare and issue a complaint.
- (2) The complaint shall contain, but not necessarily be limited to, the following information:
 - (a) The name and last known address of the Respondent(s);
 - (b) The date, time, and location at which the alleged violation was observed;
 - (c) A statement detailing the type and nature of the violation;
 - (d) The chapter and section of the Village Code alleged to have been violated;
 - (e) The signature and identification of the Village Official issuing the complaint, which signature shall act as a certification of the accuracy of all information contained within the complaint;
 - (f) The names of witnesses to the alleged violation;
 - (g) The date, time, and location of the adjudicatory hearing at which the alleged violation shall be administratively adjudicated, which hearing date shall not be less than 30, nor more than 60 days after the date of the complaint in non-emergency situations. For purposes of this chapter, "non-emergency situation" means any situation that does not reasonably constitute a threat to the public interests, safety, or welfare. In emergency situations, meaning those situations that reasonably constitute threats to the public interests, safety, or welfare, the hearing date shall not be less than three, nor more than thirty days after the date of the complaint.
- (3) The signed complaint shall constitute prima facie evidence of the violation, and shall create a rebuttable presumption of the existence of the violation.

(B) Code Hearing Unit procedures.

- (1) The original and a copy of the complaint shall be provided to the Code Hearing Unit.

- (2) Upon receiving the complaint, the Code Hearing Unit shall assign a docket number to the complaint.
- (3) The Code Hearing Unit shall retain the complaint as part of the record of the administrative adjudication hearings pertaining to the complaint.

(C) Service of complaint.

Respondents shall be served with complaints in a manner reasonably calculated to give them actual notice of the complaint, including, as appropriate:

- (1) Personal service upon the Respondent, or its employees or agents;
- (2) Service by first class mail at the Respondent's last known address;
- (3) Notice that is posted upon the property where the alleged violation is found when the Respondent is the owner or manager of the property; or
- (4) Such other method as is reasonably calculated to provide the Respondent with actual notice of the administrative hearing proceedings.

The complaint shall be served along with a summons commanding the Respondent to appear at the adjudicatory hearing. The summons shall include the following information:

- (1) The type and nature of the Code violation to be adjudicated;
- (2) The date and location of the adjudicatory hearing;
- (3) The legal authority and jurisdiction under which the hearing is to be held; and
- (4) The penalties for failure to appear at the hearing.

(D) Sufficiency of pleadings.

- (1) The complaint and summons shall be liberally construed with the view to doing substantial justice between parties.
- (2) If any complaint is insufficient in substance or form, the Hearing Officer may order a fuller or more particular statement. If the complaint does not sufficiently define the issues, the Hearing Officer may order another complaint prepared.
- (3) No complaint is bad in substance, which contains such information as reasonably informs the Respondent of the nature of the claim which he is called upon to meet.
- (4) All defects in pleadings, either in form or substance, not objected to prior to the hearing are waived.

(E) Conduct of administrative adjudication hearings.

- (1) At any adjudicatory hearing conducted pursuant to this article, the Respondent may be represented by counsel, present witnesses, or other evidence on his or her own behalf, and cross-examine opposing witnesses.
- (2) Any party to an adjudicatory hearing conducted pursuant to this article, may request the Hearing Officer to issue subpoenas directing the attendance and testimony of relevant witnesses, and the production of relevant documents.
- (3) All continued or adjourned adjudicatory hearings shall be re-scheduled with reasonable promptness commensurate with the nature and status of the proceeding.
- (4) The formal and technical rules of evidence do not apply in any hearing under this article. Evidence, including hearsay, may be admitted if it is of a type commonly relied upon by reasonably prudent persons in the conduct of their affairs.
- (5) No continuances shall be authorized by the Hearing Officer, except in cases where a continuance is absolutely necessary to protect the rights of the Respondent. Lack of preparation shall not be grounds for a continuance. Any continuance authorized by a Hearing Officer shall not exceed 30 days.
- (6) All adjudicatory hearings conducted pursuant to this article shall be recorded.

- (7) All alleged Ordinance violations adjudicated pursuant to this article shall be prosecuted by the Village Attorney, or his designee.
- (8) The case for the Respondent may be presented by the Respondent, his or her attorney, or any other agent or representative.
- (9) The burden of proof in all Ordinance violations adjudicated pursuant to this article, shall be upon the Respondent to refute the prima facie case set forth in the complaint, and rebut the presumption of the existence of a violation. Such burden shall be by a preponderance of the evidence.
- (10) Adjudicatory hearings shall regularly take place at the location indicated in the summons. Adjudicatory hearings shall occur on the date and time indicated in the summons or other notice.

(F) Failure to appear.

If, on the date set for adjudicatory hearing, the Respondent or his or her attorney fails to appear, the Hearing Officer may find the Respondent in default, and shall proceed with the hearing and accept evidence relevant to the existence of a Village Code violation.

Section 2-606 Findings, Decision, and Order

(A) At the conclusion of an adjudicatory hearing, the Hearing Officer shall make a determination, on the basis of the evidence presented at the hearing, whether a Village Code violation exists. The determination shall be in writing, and shall be designated as the findings, decision, and order. The findings, decision, and order shall include the Hearing Officer's findings of fact, a decision of whether a Village Code violation exists based upon the findings of fact, and an order directing and ordering the Respondent to correct the violation, or in the event a violation is not proved, dismissing the case. If a Village Code violation is proved, the order shall also impose the sanctions that are provided in the Village Code for the violation proved as well as the costs of the administrative adjudication proceeding as set forth in Section 2-607.

(B) A copy of the findings, decision, and order shall be served upon the Respondent within five days after it is issued. Service of the copy upon the Respondent shall be in the same manner as a complaint and summons may be served under this article.

(C) Any fine or other monetary penalty imposed against a Respondent pursuant to findings, decision, and order shall be paid to the Village through the Finance Office. The disposition of such fine or monetary penalty shall be pursuant to the findings, decision, and order, or as may be set forth in the Village Code.

(D) In the event that the findings, decision, and order of the Hearing Officer directs the correction of the violation, the Hearing Officer shall also establish a status hearing date scheduled after the date established for the correction of the violation, at which status hearing compliance with the corrective direction shall be determined. At such time, the Hearing Officer shall hear testimony and accept evidence relevant to the corrective actions of the Respondent. If the Hearing Officer determines that the Village Code violation has not been corrected as directed, additional sanctions may be imposed as provided by the Village Code.

Section 2-607 Costs of Administrative Adjudication Proceeding

If a Code violation is proven and the Respondent is ordered to pay the costs of the administrative adjudication proceeding in addition to any other monetary penalty, the following costs shall be paid by the Respondent pursuant to such order:

- (1) File Management/Record Keeping = \$25.00
- (2) Hearing Officer = \$50.00
- (3) Attorney's Fees = \$25.00

Section 2-608 Community Service Work

(A) The Code Hearing Unit may promulgate rules and regulations to allow for completion of community service work hours in lieu of paying fines and/or other monetary penalties imposed against a Respondent.

(B) Such rules and regulations shall provide guidelines for eligibility to perform community service work in lieu of paying the fines and/or other monetary penalties.

(C) Notwithstanding anything here in to the contrary, any amount imposed against a Respondent for restitution and costs of the proceeding, shall not be converted to community service work.

Section 2-609 Administrative Review Law to Apply

The findings, decision, and order of the Hearing Officer shall be subject to review in the Circuit Court for the Sixth Judicial Circuit, Champaign County, Illinois, and the provisions of the Administrative Review Law (ILCS Ch. 735, Act 5, §§ 3-101 et seq.), and all amendments and modifications thereto, and the rules adopted pursuant thereto, are adopted, and shall apply to govern every action for the judicial review of the findings, decision, and orders of the Hearing Officer under this article.

Section 2-610 Enforcement of Judgment

(A) Any fine, other sanction, or costs imposed, or part of any fine, other sanction, or costs imposed remaining unpaid after the exhaustion of, or the failure to exhaust, judicial review procedures under the Illinois Administrative Review Law, are a debt due and owing to the Village, and may be collected in accordance with applicable law.

(B) After expiration of the period in which judicial review under the Illinois Administrative Review Law may be sought for a final determination of a Village Code violation, unless stayed by a court of competent jurisdiction, the findings, decision, and order of the Hearing Officer may be enforced in the same manner as a judgment entered by a court of competent jurisdiction.

(C) In any case in which a Respondent has failed to comply with an order directing the Respondent to correct a Village Code violation, or imposing any fine or other sanction as a result of a Village Code violation, any expenses incurred by the Village to enforce the order, including, but not limited to, its attorney's fees, court costs, and costs related to property demolition or foreclosure, after they are fixed by a court of competent jurisdiction, shall be due and owing the Village, and may be collected in accordance with applicable law. Prior to any expenses being fixed by a Hearing Officer pursuant to this subsection, the Village shall provide a notice to the Respondent that states that the Respondent shall appear at a hearing before the Hearing Officer to determine whether the Respondent has failed to comply with the order. The notice shall set the date for such hearing, which shall not be less than seven days from the date that notice is served. If notice is served by mail, the seven-day period shall begin to run on the date that the notice was deposited in the mail.

(D) Upon being recorded in the manner required by Article XII of the Illinois Code of Civil Procedure, a lien shall be imposed upon the real estate of the Respondent in the amount of any debt due and owing the Village under this article. The lien may be enforced in the same manner as a judgment lien pursuant to a judgment of a court of competent jurisdiction.

(E) The Hearing Officer may set aside any order entered by default, and set a new hearing date upon a petition filed within 21 days after the issuance of the order of default, if the Hearing Officer determines that the Respondent's failure to appear at the hearing was for good cause, or at any time if the Respondent establishes that the Village did not provide proper service of process. If any judgment is set aside pursuant to this subsection, the Hearing Officer shall have the authority to enter any order extinguishing any lien which has been recorded for any debt due and owing the Village as a result of the vacated default order.

Section 2-611 Sanctions Applicable to Property and Property Owner

An order to correct a Village Code violation, and the sanctions imposed by the Hearing Officer as the result of a finding of a Village Code violation, under this article shall attach to the property, as well as to the property owner, so that a finding of a Village Code violation against one property owner cannot be avoided by conveying or transferring the property to another owner. Any subsequent transferee or property owner takes subject to the findings, decision, and order of the Hearing Officer under this article.

Section 2-612 Defenses to Certain Village Code Violations

It shall be a defense to a Village Code violation charged under the Village's property, building, or zoning codes which establish construction, plumbing, heating, electrical, fire prevention, sanitation, or other health and safety standards that are applicable to structures in the Village, if the Respondent proves by a preponderance of the evidence that:

- (A) The Village Code violation alleged does not or did not, in fact, exist at the time of the violation notice;
- (B) The Village Code violation has been caused by the current property occupants, and that in spite of reasonable attempts by the Respondent to maintain the dwelling free of such violations, the current occupants continue to cause the violations; or,
- (C) An occupant or resident of the dwelling has refused entry to the Respondent or his agents to all or part of the dwelling for the purpose of correcting the Village Code violation.

Municipal Administrative Adjudication
Village of Rantoul
Process and Procedures (Consideration)

Purpose:

With an emphasis to strengthen and gain efficiency in enforcement activities in the Community, and provide for more effective compliance, this proposal for Municipal Administrative Adjudication is presented. Currently, violations of Village Code are filed and pursued through the Sixth Judicial Circuit Court in Champaign. Under the State Statute, municipalities are permitted to establish an Administrative Adjudication system to file and pursue violations of local Ordinances to expedite the prosecution and correction of these violations. The proposed Administrative Adjudication system would allow the Village to address Ordinance violations in a timelier fashion, as well as allowing for payments of any penalties to be made directly to the Village. A Hearing Officer would conduct an administrative hearing for any alleged Village Code violation, except for traffic regulation offenses. Under the proposed Administrative Adjudication system, the Village would not be prevented from using other lawful methods to enforce the provisions of the Village Code.

Process:

The process begins with the writing of a municipal Ordinance violation by either Code Enforcement or Law Enforcement. For Code Enforcement violations, once the case has been opened, the defendant is provided notice of the violation, and the date by which the violation must be abated. The Enforcement Officer will then review to determine if the violation was abated by the date indicated.

- If the violation was abated, the violation case is closed and no further action is required by the defendant.
- If the violation is not abated, a notice to appear before the Hearing Officer will be mailed. The mailing will originate from the Division or Department from which the violation enforcement originated. If the case was opened by the Code Enforcement Division, a letter indicating date, time, and location will be mailed from a current employee within the Code Enforcement Division. If the ticket was written by the Police Department, a letter indicating date, time, and location will be mailed from a current employee within the Police Department.

On the date, time, and location (always at the Village Municipal Building at 333 Street in the Board Chambers) the defendant will appear. The defendant MAY appear with legal counsel, although the system is designed as an informal setting where any defendant will have the ability to represent themselves. The Village, regardless of the Department or Division from where the ticket originated, will be represented by our Corporation Counsel. The defendant on first appearance will have the ability to ask for a full trial, which if requested, will be scheduled for a different date. If a full trial is not requested, the matter will be presented to the Hearing Officer on the first appearance date. The Hearing Officer has the ability to determine if the defendant is guilty or not guilty, and if found guilty what punishment will be assigned. Upon a guilty finding, even if no fines are assessed, the defendant

will have to pay all court costs including the cost of the Hearing Officer, Corporation Counsel, and any other incidental costs associated with prosecuting the violation.

If a trial is requested, a different date and time will be established. Upon that date and time, the Village's Corporation Counsel will present all evidence and testimony relative to the writing and enforcement of the violation. Once Corporation Counsel has completed presenting their case, including the calling of any witnesses required to testify, the defendant will have the opportunity to present all evidence and testimony pertinent to their defense. Upon the conclusion of both sides, and any cross-examination necessary, each side will finish with a short closing argument emphasizing the main points of their prosecution or defense. Upon hearing all testimony, reviewing all documents, and evaluating all evidence, the Hearing Officer will decide as to the guilt of the defendant. (This process is most clearly defined in the Ordinance; please see as reference)

Metrics:

The Municipal Administrative Adjudication program will allow us to track the types of offenses being committed, whether the defendants in Code Enforcement cases abate the violations prior to notification to appear before a Hearing Officer, if they appear before the Hearing Officer, are they found guilty or not guilty, and the amount of fines collected through the process. Additional information, such as location of violations and types of violations by location, are also information we will be able to track through this process. The ultimate goal is to reduce the number of violations written annually when residents see an expedited process to abate violations. This process should also be measured by the appearance of the community, as violations decline the community will see environmental improvements.

Selection of Hearing Officers:

The Village of Rantoul recognizes it is extremely important to identify individuals of diverse backgrounds to serve as Hearing Officers. The Hearing Officers shall represent the make-up of the community to the best of our ability, and shall demonstrate experience in working with individuals from different economic and social backgrounds. The Village hopes at least one of those Hearing Officers currently resides and works in Rantoul, while others may reside and work throughout Champaign County. Hearing Officers must be legally-practicing attorneys from Illinois, would prefer to have knowledge of municipal law, and understands the nature of the process is to provide an informal means for defendants to represent themselves against written violations. Additionally, Hearing Officers must be able to communicate legal concepts clearly, so that defendants can represent themselves, demonstrate a commitment to fairness, and understand community dynamics.

Benefits of the Process:

The benefits to the Village in implementing a Municipal Administrative Adjudication is to strengthen enforcement activities in the community through a process which expedites cases eliminating the long delays often caused by utilizing the Circuit Court system. By utilizing a system which processes cases quicker, it should abate violations more rapidly thereby improving the appearance of the community.

Also, this process is more responsive to the needs of neighboring property owners who see an abatement to their complaints occur quicker than in past years. The benefits of the process to our residents is they will no longer be required to travel to Champaign to defend their case, will be able to represent themselves in a less formal setting, and will have their case heard in a timely manner.

Communications Plan:

Once approved, the Village shall communicate effectively the process so all understand how the Municipal Administrative Adjudication process works. This should include flyers, social media postings, and website information, including FAQs, in multiple languages. Partnerships with local organizations, churches, and associations, along with community information sessions, Mornings with the Mayor, or other public gatherings are all vital opportunities to explain the program in depth, and provide the public an opportunity to ask important questions prior to utilizing the system. As the process develops, metrics are measured, and cases are evaluated, that information shall also be shared publicly to outline the program's success.

Final Note:

It should be noted this process is not designed to conduct enforcement differently, but rather to pursue abatement of those violations differently. Currently, approximately 800 enforcement violation cases are opened annually, of which approximately 10% to 15% of those reach the stage of judicial process. The goal of Municipal Administrative Adjudication is not to write more or different violations, but rather to process the cases which are being written more expeditiously and locally. As indicated earlier, the ultimate goal is to reduce the number of violations, and the number of total cases heard by a Hearing Officer, through more rapid enforcement and abatement.

AGENDA ITEM

ITEM: Ordinance Implementing a Municipal Grocery Retailers' Occupation Tax and a Municipal Grocery Service Occupation Tax for the Village Effective January 1, 2026	DEPARTMENT: Administration
DATE: July 1, 2025	AMOUNT: N/A
ATTACHMENTS: 1. Ordinance - Implementing a Municipal Grocery Retailers Occupation Tax and a Municipal Grocery Service Occupation Tax	ADMINISTRATIVE NOTES:
SUMMARY HIGHLIGHTS: During the 2024 Spring Legislative Session, Public Act 103-0781 repealed the statewide tax on groceries effective January 1, 2026. This tax, while collected by the State, was actually distributed to local governments, so the repeal of the tax had no impact on the revenue of the State of Illinois, while taking significant revenue away from the Village of Rantoul. The act does allow local governments to approve their own tax on groceries, at the same tax rate currently in place. Approval of this Ordinance would NOT increase the amount of taxes charged currently, but would continue the current practice regarding taxation on groceries as though Public Act 103-0781 was never approved. This Ordinance ensures that all taxes on groceries now collected goes directly to the Village of Rantoul without threat of the State withholding that distribution in future years.

ORDINANCE 2799

**AN ORDINANCE
IMPLEMENTING A MUNICIPAL GROCERY RETAILERS' OCCUPATION TAX
AND A MUNICIPAL GROCERY SERVICE OCCUPATION TAX**

**VILLAGE OF RANTOUL
CHAMPAIGN COUNTY, ILLINOIS**

CERTIFICATE OF PUBLICATION

Published in pamphlet form this 8th day of July, 2025, by authority of the President and Board of Trustees of the Village of Rantoul, Champaign County, Illinois.

Village Clerk

ORDINANCE 2799

AN ORDINANCE IMPLEMENTING A MUNICIPAL GROCERY RETAILERS' OCCUPATION TAX AND A MUNICIPAL GROCERY SERVICE OCCUPATION TAX

WHEREAS, the Illinois Municipal Code, 65 ILCS 5/1-2-1, provides that the corporate authorities of each municipality may pass all Ordinances and make all rules and regulations proper or necessary, to carry into effect the powers granted to municipalities, with such fines or penalties as may be deemed proper; and,

WHEREAS, the Village of Rantoul (Village) is a Home Rule Illinois municipality pursuant to Article VII the Constitution of the State of Illinois; and,

WHEREAS, Section 8-11-24 of the Illinois Municipal Code (65 ILCS 5/8-11-24) provides that, beginning on January 1, 2026, all Illinois municipalities may impose a tax “upon all persons engaged in the business of selling groceries at retail in the municipality” (the “Municipal Grocery Tax”) (65 ILCS 5/8-11-24); and,

WHEREAS, the Municipal Grocery Retailers' Occupation Tax may be imposed “at the rate of 1% of the gross receipts from these sales” (65 ILCS 5/8-11-24); and,

WHEREAS, any Municipal Grocery Retailers' Occupation Tax shall be administered, collected, and enforced by the Illinois Department of Revenue; and,

WHEREAS, Section 8-11-24 of the Illinois Municipal Code (65 ILCS 5/8-11-24) requires any municipality imposing a Municipal Grocery Retailers' Occupation Tax under Section 8-11-24 of the Illinois Municipal Code (65 ILCS 5/8-11-24) to also impose a Service Occupation Tax at the same rate, “upon all persons engaged, in the municipality, in the business of making sales of service, who, as an incident to making those sales of service, transfer groceries” as “an incident to a sale of service” (the “Municipal Grocery Service Occupation Tax”) (65 ILCS 5/8-11-24); and,

WHEREAS, any Municipal Grocery Service Occupation Tax shall be administered, collected, and enforced by the Illinois Department of Revenue; and,

WHEREAS, the President and Board of Trustees of the Village believe that it is appropriate, necessary, and in the best interests of the Village and its residents, that the Village levy a Municipal Grocery Retailers' Occupation Tax as permitted by Section 8-11-24 of the Illinois Municipal Code (65 ILCS 5/8-11-24); and,

WHEREAS, the President and Board of Trustees of the Village believe that it is appropriate, necessary, and in the best interests of the Village and its residents, that the Village levy a Municipal Grocery Service Occupation Tax as permitted by Section 8-11-24 of the Illinois Municipal Code (65 ILCS 5/8-11-24).

NOW, THEREFORE, be it ordained, by the Village President and Board of Trustees of the Village of Rantoul as follows:

Section 1. Incorporation of Recitals. The foregoing recitals shall be and are hereby incorporated as findings of fact as if said recitals were fully set forth herein.

Section 2. Municipal Grocery Retailers' Occupation Tax Imposed. A tax is hereby imposed upon all persons engaged in the business of selling groceries at retail in this municipality at the rate of 1% of the gross receipts from such sales made in the course of such business while this Ordinance is in effect. The imposition of this tax is in accordance with and subject to the provisions of Section 8-11-24 of the Illinois Municipal Code (65 ILCS 5/8-11-24).

Section 3. Municipal Grocery Service Occupation Tax. A tax is hereby imposed upon all persons engaged in this municipality in the business of making sales of service, who, as an incident to making those sales of service, transfer groceries as an incident to a sale of service. The rate of this tax shall be the same rate identified in Section 2, above. The imposition of this tax is in accordance with and subject to the provisions of Section 8-11-24 of the Illinois Municipal Code (65 ILCS 5/8-11-24).

Section 4. Illinois Department of Revenue to Administer Both Taxes. The taxes hereby imposed, and all civil penalties that may be assessed as an incident thereto, shall be collected and enforced by the Department of Revenue of the State of Illinois. The Illinois Department of Revenue shall have full power to administer and enforce the provisions of this Ordinance.

Section 5. Village Clerk to file Ordinance with Illinois Department of Revenue. As required under Section 8-11-24 of the Illinois Municipal Code (65 ILCS 5/8-11-24), the Village Clerk is hereby directed to file a certified copy of this Ordinance with the Illinois Department of Revenue on or before October 1, 2025.

Section 6. Effective Date. The taxes imposed by this Ordinance shall take effect on January 1, 2026, following the adoption and filing of this Ordinance with the Department of Revenue.

Section 7. Repeal of Conflicting Provisions. All Ordinances, Resolutions, and policies or parts thereof, in conflict with the provisions of this Ordinance are, to the extent of the conflict, expressly repealed on the effective date of this Ordinance.

Section 8. Severability. If any provision of this Ordinance or application thereof to any person or circumstances is ruled unconstitutional or otherwise invalid, such invalidity shall not affect other provisions or applications of this Ordinance that can be given effect without the invalid application or provision, and each invalid provision or invalid application of this Ordinance is severable.

Section 9. Headings/Captions. The headings/captions identifying the various sections and subsections of this Ordinance are for reference only, and they do not define, modify, expand, or limit any of the terms or provisions of the Ordinance.

Section 10. Publication. The Village Clerk is directed by the corporate authorities to publish this Ordinance in pamphlet form. This Ordinance shall be in full force and effect after its passage and publication in accordance with 65 ILCS 5/1-2-4.

This Ordinance is hereby passed, the “ayes” and “nays” being called, by the concurrence of a majority of the members of the Corporate Authorities then holding office at a special meeting held on the date set forth below upon a roll call vote as follows:

“Ayes” _____
“Nays” _____
“Absent” _____

PASSED this 8th day of July, 2025.

Village Clerk

APPROVED this 8th day of July, 2025.

Village President

COUNTY OF CHAMPAIGN) SS.
VILLAGE OF RANTOUL)

CERTIFICATION OF ORDINANCE

I, the undersigned, do hereby certify that I am the duly qualified and acting Village Clerk of the Village of Rantoul, Champaign County, Illinois (the “**Village**”), and as such official I am the keeper of the records and files of the Village and of the President and Board of Trustees of the Village (the “**Corporate Authorities**”).

I do further certify that the attached constitutes a full, true and complete, excerpt from the proceedings of the meeting of the Corporate Authorities held on the 8th day of July, 2025, insofar as same relates to the adoption of Ordinance 2799, entitled:

**AN ORDINANCE
IMPLEMENTING A MUNICIPAL GROCERY RETAILERS’ OCCUPATION TAX
AND A MUNICIPAL GROCERY SERVICE OCCUPATION TAX**

a true, correct, and complete copy of which Ordinance (the “**Ordinance**”) as adopted at such meeting appears in the transcript of the Minutes of such meeting and is hereto attached. The Ordinance was adopted and approved by the vote and on the date therein set forth.

I do further certify that the deliberations of the Corporate Authorities on the adoption of the Ordinance were taken openly, that the vote on the adoption of the Ordinance was taken openly, and was preceded by a public recital of the nature of the matter being considered, and such information as would inform the public of the business being conducted, that such meeting was held at a specified time and place convenient to the public, that the agenda for the meeting was duly posted on the Village’s website and at the Village Hall at least 48 hours prior to the meeting, that notice of such meeting was duly given to all of the news media requesting such notice, that such meeting was called and held in strict compliance with the provisions of the Open Meeting laws of the State of Illinois, as amended, and that the Corporate Authorities have complied with all of the applicable provisions of such Open Meeting laws, the Illinois Municipal Code, and their procedural rules in the adoption of the Ordinance.

IN WITNESS WHEREOF, I hereunto affix my official signature and the seal of the Village of Rantoul, Champaign County, Illinois, this 8th day of July, 2025.

(SEAL)

Village Clerk

RESOLUTION 07-25-1438

A RESOLUTION AUTHORIZING AND APPROVING THE ADDITION OF A BANK SIGNATORY FOR THE VILLAGE ACCOUNTS

WHEREAS, the Illinois Municipal Code (65 ILCS 5/1-1-1 et seq.) grants municipalities the authority to manage their finances, including the authority to designate individuals to act as signatories on municipal financial accounts; and

WHEREAS, the President and the Board of Trustees of the Village of Rantoul, Champaign County, Illinois, deem it necessary and in the best interest of the municipality to add an authorized signatory for its financial accounts; and

WHEREAS, the addition of a signatory will ensure the continued efficient operation of municipal financial activities in accordance with applicable laws and internal controls;

NOW THEREFORE, BE IT RESOLVED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF RANTOUL, CHAMPAIGN COUNTY, ILLINOIS, as follows:

Section 1. That the following individual is hereby authorized to act as a signatory on all accounts maintained by the Village of Rantoul at the Bank of Rantoul, and is granted authority to:

- Sign checks and drafts
- Endorse checks and other instruments for deposit
- Conduct such other banking activities as may be necessary to carry out the official business of the municipality

Authorized Signatory:

Mayor Samuel E. Hall III, Village President

Section 2. That this authorized signatory replaces that of Past President Charles R. Smith. All other existing authorized signatories previously approved by the President and Board of Trustees shall remain in effect unless specifically revoked by separate Resolution.

Section 3. That the Village Comptroller is hereby authorized and directed to deliver a copy to the Bank of Rantoul, and to take all necessary actions to ensure the implementation of this Resolution, including filing appropriate records.

Section 4. This Resolution shall be in full force and effect immediately upon its passage and approval as provided by law.

This Resolution is hereby passed, the “ayes” and “nays” being called, by the concurrence of a majority of the members of the Corporate Authorities then present at a regular meeting held on the date set forth below.

PASSED this 8th day of July, 2025.

RESOLUTION 07-25-1439

**A RESOLUTION
DETERMINING WHETHER THE NEED FOR
CONFIDENTIALITY STILL EXISTS OR IS NO LONGER REQUIRED
AS TO ALL OR PART OF MINUTES OF ALL CONFIDENTIAL CLOSED MEETINGS**

WHEREAS, Section 2.06 of the Open Meetings Act (5 ILCS 120/2.06) requires each public body to periodically, but no less frequently than semi-annually, to meet to review minutes of all closed meetings and to make a determination, reported in open session, that (1) the need for confidentiality still exists as to all or part of those minutes or (2) that the minutes or portions thereof no longer require confidential treatment and are available for public inspection, and

WHEREAS, the President and Board of Trustees (the “**Corporate Authorities**”) of the Village of Rantoul, Champaign County, Illinois (the “**Village**”) have met to review the minutes of all closed meetings which remain confidential as of the date hereof as detailed on the attached list (the “**Confidential Closed Meeting Minutes**”) in order to make such determination.

NOW, THEREFORE, BE IT RESOLVED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF RANTOUL, ILLINOIS, CHAMPAIGN COUNTY, ILLINOIS, as follows:

Section 1. That the Corporate Authorities of the Village hereby expressly find and determine that: (1) confidentiality still exists in connection with those Confidential Closed Meeting Minutes designated by an “X” in the column under the heading “Confidentiality Still Exists”, and (2) confidential treatment is no longer required in connection with those Confidential Closed Meeting Minutes designated by an “X” in the column “To Be Made Available” in that it is no longer necessary to protect the public interest or the privacy of an individual by keeping them confidential.

Section 2. That the Village Clerk shall make those Confidential Closed Meeting Minutes so designated by an “X” in the column “To Be Made Available”, if any, available for public inspection.

This Resolution is hereby passed, the “ayes” and “nays” being called, by the concurrence of a majority of the members of the Corporate Authorities then holding office at a regular meeting on the date set forth below.
